Gabrielle

2016-02-16

psychological theory has traditionally overlooked or minimized the role of siblings in development focusing instead on parent child attachment relationships the importance of sisters has been even more marginalized sue a kuba explores this omission in the role of sisters in women's development seeking to broaden and enrich current understanding of the psychology of women this unique work is distinguished by kuba's phenomenological method of research rooted in a single prompt tell me about your relationship with your sister rich in detail the responses many of which are reproduced at length within the book provide a complex picture of sister relationships across the lifespan integrating these stories with current literature about gender and family composition for sisters of difference disabled and lesbian sisters and ethnic sisters this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life integrating diverse

perspectives in order to address the ways clinicians can enhance psychological work with women clients a valuable contribution to the field of mental health the role of sisters in women s development is highly recommended for therapists who wish to broaden their inquiry into the sister connection as well as anyone who wants to further understand the importance of sisterhood

Tales and Novels

1848

this story begins when i was much older worlds away from those early years and i had a daughter of my own im miranda and im living a life ive prepared myself but that life never came my parents worried about me so did my teachers though the safe path was always right in front of me i kept veering off it into something which did not seem unknown or perilous until it was too late to prevent the damage my aunts and uncles referred to me as a free spirit and exchanged glances which suggested in an adult way that they were a little worried about how i was going to turn out despite my mothers many attempts at reeducation i never quite got over that impulse toward wandering and adventure that got me into so much trouble not until the events which form the basis of this story anyway
