World in Flames

2020-05-01

the battle rages on every front nato armored divisions have broken out from near certain defeat in the soviet ringed dortmund bielefeld pocket on the north german plain russian spets commandos dressed in captured american uniforms have infiltrated nato lines to sow confusion among allied troops despite being faster than the american planes russian mig 25s and sukhoi 15s are unable to maintain air superiority over the western aleutians due to the upgraded pulse doppler look up look down radar on the american f 16 falcons and the advanced an awg 9 weapon control system on the f 14 tomcats with the war turning against them the russians are readying a submarine offensive against the american west coast there is no telling when they will escalate to even more dangerous tactics including nuclear weapons on every front the war that once seemed impossible blazes its now inevitable path of worldwide destruction there is no way to know how it will end

A World in Flames

1971

the most shocking year in history week by week hour by hour in his brilliant reconstruction richard collier vividly brings one of the most momentous years in world history to life once again this was a time of blitzkrieg and the blitz of the battle of britain and dunkirk from the fighting in finland to the destruction of coventry from the sinking of the french fleet in oran to the invasion of norway this is history at its most extraordinary and engaging by recounting major episodes from the viewpoint of those actually involved collier provides enlightening glimpses of just what war represented to both the great and to the unknown and reveals that while 1940 was a year of incredible folly it was also a time of inestimable bravery perfect for readers of anthony beevor and max hastings this is an unforgettable book about an unforgettable year a year that shaped the world we know today masterly you could be reading a spine tingling thriller sunday express i would like to see this book made compulsory reading evening standard

1940

2022-03-24

who did what in world war ii and where and when did it take place

A world in flames

1970

a concise account of the war including the war in asia and the pacific as well as the european arena covers the formation of the victorious grand alliance and to the problems that beset it and to nazi germany s relations with its allies

A World in Flames

2007

an edited volume of primary sources from the second world war the world in flames a world war ii sourcebook is the first of its kind to provide an ambitious and wide ranging survey of the war in a convenient and comprehensive package conveying the sheer scale and reach of the conflict the book s twelve chapters include sufficient narrative and analysis to enable students to grasp both the war s broad outlines and the context and significance of each particular source

A World in Flames

2014-01-14

a fascinating series depicting the world during the second world war interesting and informative the four books in the series will each contain true life stories and photographs and documents from the imperial war museum the four titles in the series are the world in flames air isbn 0 330 48296 3 the world in flames sea isbn 0 330 48295 5 the world in flames land isbn 0 330 48294 7 the world in flames civilians isbn 0 330 48297 1

The World in Flames

2012-09-13

the period from 1939 to 1945 saw some of the most devastating events in living memory existing in the shadows of fear sacrifice deprivation and uncertainty soldiers and civilians of all nationalities were driven to extremes of selfless loyalty dogged determination or bitter cruelty by the demands of a world at war bringing the experience of war to life through a wealth of contemporary documentation private writings and historical research this book tells the stories of the men and women who lived and died during the second world war also assessing the political military and historical significance of the war this truly comprehensive volume covers every fighting front of this horrific war

World War II

1998

emphasizing the military history of the war this battle by battle survey recounts such campaigns as stalingrad omaha beach and the battle of the atlantic

WW III

1991

at night he calls for her pleading with her to not forget him begging her to return safely peter aches to hold amelia again but she is being held captive with the ruthless fallen leader cornelius will he get her back will they ever get to have the happy ever after the angels had promised them as the distance between them grows their chances are slipping through their fingers the age old war of good versus evil continues cornelius will stop at nothing to keep them apart amelia and peter have to be re united the peace of the universe rests on the tip of a knife blade as it seems that no matter what they do or where they go he will always have some sort of strangle hold on their lives

A World in Flames on Land

2001

truman s war is the gripping second volume of the world in flames trilogy stalin s war told the story of the build up to war and now truman s war tells the story of two superpowers at war in the devastated landscape of post war germany that soon spreads across the globe the drama opens with a massive series of attacks across a four hundred mile front as marshal zhukov s powerful red army launches operation stalin s revenge against the ill prepared allied armies the american and british armies having never faced such a powerful foe are sent reeling back from the opening attacks as entire units are soon overwhelmed by the advancing soviet forces the relatively untried american president is forced to grapple with the realization that the united states is threatened with its most deadly enemy in its history and a choice must be made fight or retreat across the atlantic in disgrace will president truman rise to the occasion or instead falter and fail to live up to the exalted legacy of his predecessor massive battles in the air land and sea break out as allied forces strike back but at an appalling cost massive pitched battles from hamburg to pilsen try to stem the soviet onslaught but victorious soviet tanks push hard for the rhine to secure a swift victory ever mindful they are up against the clock trying to win before american atomic arms can be brought to bear heroes emerge while others fall in disgrace unable to stand up to a new type of war a total war unlike any the allied armies ever thought possible truman s war tells the story through the lives and actions of numerous historical figures from truman churchill eisenhower patton montgomery bradley and countless others while also focusing on the great soviets figures of the era stalin zhukov khrushchev rokossovsky chuikov and others plus numerous lesser known historical figures play their parts and fictional characters are also introduced to play important roles in the drama

that plays out page by page until we reach the stunning conclusion setting up the third and final volume of the world in flames trilogy

The Second World War

2004-03-25

a lively memoir of growing up with blind african american parents in a segregated cult preaching the imminent end of the world for fans of james mcbride s the good lord bird it s 1970 and jerry walker is six years old his consciousness revolves around being a member of a church whose beliefs he finds not only confusing but terrifying composed of a hodgepodge of requirements and restrictions including a prohibition against doctors and hospitals the underpinning tenet of herbert w armstrong s worldwide church of god was that its members were divinely chosen and all others would soon perish in rivers of flames the substantial membership was ruled by fear intimidation and threats anyone who dared leave the church would endure hardship for the remainder of this life and eternal suffering in the next the next life according to armstrong would arrive in 1975 three years after the start of the great tribulation jerry would be eleven years old jerry s parents were particularly vulnerable to the promise of relief from the world s hardships when they joined the church in 1960 they were living in a two room apartment in a dangerous chicago housing project with the first four of their seven children and most significantly they both were blind having lost their sight to childhood accidents they took comfort in the belief that they had been chosen for a special afterlife even if it meant following a religion with a white supremacist ideology and dutifully sending tithes to armstrong whose church boasted more than 100 000 members and more than 80 million in annual revenues at its height when the prophecy of the 1972 great tribulation does not materialize jerry is considerably less disappointed than relieved when the 1975 end time prophecy also fails he finally begins to question his faith and imagine the possibility of choosing a destiny of his own

A World in Flames

1970

patton s war is the exciting third book in the world in flames ww ii alternative history series the action picks up after the dramatic end to truman s war when general patton has been named the commander of all allied ground forces it s his war to win or lose the story unfolds with the continued unrelenting attacks against the beleaguered allied armies from the encircled british second army trapped in the hamburg pocket to american tankers and soldiers fighting against overwhelming numbers of soviet tanks and guns who threaten to overrun and trap the american armies quickly we see the former commander of the third army lose confidence as the red army s top generals zhukov and rokossovsky outgeneral him at every turn as the situation becomes more desperate with each passing day general eisenhower must decide who should command the allied forces before it s too late patton s war takes the reader on a ride from the political inner circles of washington london tokyo and moscow to fighting that spreads throughout the globe finally the novel comes to a gripping close as the russians launch a daring attack that threatens the very heart of the allied war effort and sets up the final book in the series macarthur s war

1940 [nineteen Hundred Forty], the World in Flames

1979

terrorism is not a new topic it has been around since the beginning of recorded time from biblical events to the present day man's inhumanity to man has been well documented but never suppressed the world in flames deals with the growth of terrorism and how modern weaponry poses more threats than ever before the book also probes the psyche of the terrorist what makes people turn to terrorism and how we can deter terrorism at the grassroots level indeed we must come to grips with how we can defend ourselves in a world getting smaller every day to defeat terrorism we must first understand the psyche of the terrorist what goes into his making and why he indulges in what seems to be insane violence this book deals with the subject in a positive way authors savita singh and ramesh kumar were motivated to write the world in flames in response to the many terrorist attacks in india they point to a more unsafe world for our future generations due to increasing terrorism inequality in society and bad governance but they feel there is hope in mitigating terrorism at its grassroots the authors both live near new delhi india publisher's website strategicpublishinggroup.com title theworldinflames.html

I, Immortal the Series, Book 2

2014-10-30

in just four weeks in the summer of 1941 the german wehrmacht wrought unprecedented destruction on four soviet armies conquering central ukraine and killing or capturing three quarters of a million men this was the battle of kiev one of the largest and most decisive battles of world war ii and for hitler and stalin a battle of crucial importance in this book david stahel charts the battle's dramatic course and aftermath uncovering the irreplaceable losses suffered by germany's panzer groups despite their battlefield gains and the implications of these losses for the german war effort he illuminates the inner workings of the german army as well as the experiences of ordinary soldiers showing that with the russian winter looming and soviet resistance still unbroken victory came at huge cost and confirmed the turning point in germany's war in the east

A World in Flames, 1944-1945

1984

stalin's war is the first installment of the world in flames trilogy and tells the realistic story of a powerful and compelling series of events that could have led the two most powerful nations in world history to come to blows in war torn europe this alternative history tells the story of the great leaders of the day churchill fdr stalin truman eisenhower zhukov and numerous other historical figures as well as a cast of characters from courageous polish freedom fighters engaged in a near hopeless bid for survival to former nazi ss officers desperate and willing to do anything to ignite a conflict between the two emerging superpowers to save the fatherland but at the heart of this story lies one

man s obsessions paranoia and desire to dominate the globe josef stalin his is the most powerful man on the planet with the largest army in the history of man and sees treachery everywhere and yet he misses the one true threat to all of his plans and in one moment of pure terror everything he had long planned nearly comes to an end leading him to make a momentous decision to crush the motherland s enemies without mercy once and for all this fast paced thriller takes readers from the rubble of berlin to politics in the white house and kremlin and ultimately to fields of battle as two great armies move towards an inevitable clash of arms that will determine not only the fate of europe but perhaps freedom itself

Patton's War

2021-07-18

it is common for political leaders to claim they have no control over bad outcomes indeed they often cite the arguments of political theorists and public intellectuals as to why history rushes onward oblivious of human will force and violence overcome political aims globalization undermines the actions of national leaders the bureaucracy sabotages their intentions bad outcomes are often the unintended result of actions in democratic accountability leif lewin examines these reasons and argues that they are unconvincing he makes his case by describing and analyzing counterexamples in seven cases including the prevention of a communist takeover in europe after world war ii the european union s preventing another european war and margaret thatcher s taming of the bureaucracy in britain in a staunch defense of the possibility for meaningful and profound democratic decision making lewin finds that in fact not only do political leaders exert a good measure of control and therefore can be assigned responsibility but the meaning of the functioning democracy is that the people hold their leaders accountable

The World in Flames

2010-09

in western europe and north america the idea that war can deliberately be used as an instrument of policy has become unfashionable not least because of the carnage of two world wars and the americans humiliating experience in vietnam but wars are still fought those who start wars clearly believe they are worthwhile why in this original and provocative study brian bond discusses the successes and failures of military and political leaders in their pursuit of victory over the last two centuries professor bond argues that in order to be counted victorious a leader has to progress beyond military triumph to preserve the political control needed to secure an advantageous and enduring peace settlement napoleon was a brilliant general but failed as a statesman bismarck on the other hand was a success in skilfully exploiting moltke's victories on the battlefield to create a unified germany in the first world war germany and her allies were defeated but at such great cost that confidence in the idea that war could be controlled and the pursuit of victory made rational received a terrible shock germany and japan exploited their military opportunities between 1939 and 1942 but lack of political control and moderation brought them catastrophic defeat after 1945 nuclear weapons and the increased complexity of international relations blurred the identity of victors and losers and seemed to make the idea of a decisive victory almost unthinkable but this study warns against the assumption that war as an instrument of policy has now been completely discarded the falklands and gulf conflicts show that aggressors are still prepared to risk war for tangible goals and that their opponents are quite capable of responding successfully to such challenges

Kiev 1941

2011-11-03

vividly capturing the heady times in the waning months of world war ii ronald weber follows the exploits of allied reporters as they flooded into liberated paris after four dark years of nazi occupation he traces the remarkable adventures of the men and women who lived worked and played in the legendary hôtel scribe set in a highly fashionable part of the largely undamaged city press jeeps and trailers packed the street outside while inside the hotel was completely booked with hundreds of correspondents the busiest spot was the dining area where the clatter of typewriters combined with shouts of correspondents needing hot water to brew coffee from military powder but the basement level bar was the hotel's top attraction where famed war correspondents like ernie pyle walter cronkite a j lieblich ernest hemingway martha gellhorn janet flanner lee miller marguerite higgins irwin shaw edward kennedy charles collingwood robert capa and many others held court while in the company of military censors and top brass weber uncovers the struggles between correspondents and allied officials over censorship and the release of information the heated press chaos surrounding the war's end and the drama of the second german surrender orchestrated by the russians in shattered berlin the elation of total victory was mixed with the abrupt emptiness of a task finished while work on the continent remained for journalists it now dealt with the slog of the occupation of germany rather than the blood and glory of war yet weber shows there were many reasons to carry on after ve day in this delightfully entertaining account of the hotel where correspondents were regularly briefed on the war and its aftermath wrote their stories had them transmitted to international media outlets and rarely

neglected the pleasures of a paris reborn until december 1 1945 when the hôtel scribe was officially vacated by the american military

Stalin's War

2015-09-10

mere christianity is one of the best books of christian apologetics ever written arguably no book other than the bible itself has had as much influence for the cause of the gospel over the past 60 years the story of how that message came to be created during the rigors of world war ii in england is fascinating in and of itself but it also addresses a very important question how do we present the gospel effectively to a culture that has christian foundations but has become largely secularized and ignorant of biblical truth c s lewis mere christianity develops the circumstances of lewis s life and the inner workings of the bbc it also goes into greater detail about life in the middle of war against nazi germany and lewis s series of broadcasts that extended into 1944

2019-04-05

dorothy buxton led an unusual and intense life after an upbringing untypical for a girl in rural victorian england she found her voice and her vocation during the first world war insisting people should be able to read a variety of voices on the conflict engulfing europe after the war ended when hunger and deprivation were widespread in many countries she blazed a trail as a campaigner for the underprivileged she was the instigator of the save the children fund in 1919 and became a tireless campaigner for refugees and the oppressed wherever she saw them during the next decades her life was led during times of social and political upheaval after the relative calm of the late victorian and edwardian period she lived through two world wars and the economic depression between them the rise of communism fascism and nazism the attack on the class divisions in british society and the change in the status and rights of women in these momentous times dorothy was a radical voice refusing to be silenced when she saw injustice hers is an exciting story the archive of her life is rich and varied although not complete as at various times material has been destroyed both by her own decision towards the end of her life and that of family members after her death yet sufficient letters and papers have survived so that her story can be told partly using her own words this biography is both the story of one woman s journey and a paradigm of the journey taken by many of her contemporaries

C. S. Lewis & Mere Christianity

2014-06-20

for the city s first two hundred years the story told at washington dc s symbolic center the national mall was about triumphant american leaders since 1982 when the vietnam veterans memorial was dedicated the narrative has shifted to emphasize the memory of american wars in the last thirty years five significant war memorials have been built on or very nearly on the mall the vietnam veterans memorial the korean war veterans memorial the women in military service for america memorial the national japanese american memorial to patriotism during wwii and the national world war ii memorial have not only transformed the physical space of the mall but have also dramatically rewritten ideas about u s nationalism expressed there in sacrificing soldiers on the national mall kristin ann hass examines this war memorial boom the debates about war and race and gender and patriotism that shaped the memorials and the new narratives about the nature of american citizenship that they spawned sacrificing soldiers on the national mall explores the meanings we have made in exchange for the lives of our soldiers and asks if we have made good on our enormous responsibility to them
