*The Outlaws of the Wild West: 150+ Westerns in One Edition* 2023-11-27 chapter i the cock and anchor two horsemen and a supper by the inn fire some time within the first ten years of the last century there stood in the fair city of dublin and in one of those sinuous and narrow streets which lay in the immediate vicinity of the castle a goodly and capacious hostelry snug and sound and withal carrying in its aspect something staid and aristocratic and perhaps in nowise the less comfortable that it was rated in point of fashion somewhat obsolete its structure was quaint and antique so much so that had its counterpart presented itself within the precincts of the borough it might fairly have passed itself off for the genuine old tabard of geoffry chaucer the front of the building facing the street rested upon a row of massive wooden blocks set endwise at intervals of some six or eight feet and running parallel at about the same distance to the wall of the lower story of the house thus forming a kind of rude cloister or open corridor running the whole length of the building
