the author's classroom takes you inside John Schermerhorn's classroom and provides additional teaching ideas and resources for each chapter. Adoption of the book gives you access to three sets of powerpoint slides for each chapter, special in-class activities and unique websites, a detailed instructor resource guide including lecture outlines and notes, class exercises and sample assignments, and a test bank with 3,000 multiple-choice, true/false, and essay questions. Student resource website provides additional materials beyond the book and includes interactive online versions of all cases, interactive skill and outcome assessments that enable students to assess their managerial style and readiness, expanded discussion of reality checks, and margin photo essays found in the text. New learning system: The book is written with an embedded learning model that facilitates student learning, building on the hallmark features of the previous editions. This system now also includes visual learning preview, providing a graphic outline of the material at the beginning of each chapter to demonstrate how the topics relate to each other; learning checks at the end of each section to allow students to check their understanding before moving forward; where we've been feature at the end of each chapter summarizes and ties the chapter to the opening vignette; the next step directs you to cases, projects, self-assessments, and experiential exercises included in the management learning workbook. Student portfolio builder provides on-line templates for building a student portfolio to summarize academic outcomes and display career credentials to potential employers.
