It only clouds the issue and puts her reputation on the line when the attraction between them spirals out of control and passions are rising. J.J. and Jack are in a race against time; they discover each victim had a shocking secret, and the very foundation of J.J.'s life is in danger of crumbling. Lightning Strikes Trilogy Boxed Set (Books 1-3) 2019-04-11

In this special boxed set of three connected full-length romantic suspense novels, lightning leads to love, danger, and the unraveling of long-buried secrets that will change not only the past but also the future.

Lightning Strikes 1: When her father's plane mysteriously disappeared in the middle of an electrical storm, Alicia Monroe became obsessed with lightning. Now a news photographer in Miami, Alicia covers local stories by day and chases storms at night. In a flash of lightning, she sees what appears to be a murder. But when she gets to the scene, there is no body, only a military tag belonging to Liliana Valdez, a woman who has been missing for two months. While the police use the tag to jump-start their stalled investigation, Alicia sets off on her own to find the missing woman. Her search takes her into the heart of Miami's Cuban American community, where she meets the attractive but brooding Michael Cordero, who has his own demons to vanquish. Soon Alicia and Michael are not just trying to save Liliana's life but also their own, as someone will do anything to protect a dark secret.

Lightning Strikes 2: Katherine Barrett, a dedicated young doctor, receives a terrified phone call from her brother, TJ. He is running away to Mexico to save himself and their family from an unnamed killer. He warns her not to come after him and not to go to the police, as there is no one she can trust. But Katherine realizes there might be someone she can trust. She turns to her former high school sweetheart, Jake Monroe, the man whose heart she broke a decade earlier. Katherine asks Jake to fly her into a remote and dangerous part of Mexico where no one else dares to go. Jake had always thought that one day Katherine would realize she needed him, but he didn't expect it to go down this way. Still, he can't resist the beautiful blonde he has never been able to forget. They set off on an adventure that will take them into the past, unravel a decade of secrets, and lead them into the heart of a lightning storm that will change the way they look at their families, the world, and each other.

Lightning Strikes 3: Danielle Monroe is determined to use her new job in DC as a stepping stone to a high-powered political career. But the secrets surrounding her father's death continue to overshadow her goals. Her family thinks she holds the final piece of the puzzle, but she doesn't even know what the puzzle is. Until an attractive and possibly dangerous stranger shows up in her life. Patrick Kane is searching for answers about his own dark tragedy, not realizing that the beautiful Danielle may not just hold the key to his mystery but also his heart. They have to stay alive long enough to find out what readers are saying: I loved the twists and turns that

Methods of Murder 2012-03-13

the first extended analysis of the relationship between italian criminology and crime fiction in english methods of murder examines works by major authors both popular such as gianrico carofiglio and canonical such as carlo emilio gadda many scholars have argued that detective fiction did not exist in italy until 1929 and that the genre which was considered largely anglo saxon was irrelevant on the italian peninsula by contrast past traces the roots of the twentieth century literature and cinema of crime to two much earlier diverging interpretations of the criminal the bodiless figure of cesare beccaria s enlightenment era on crimes and punishments and the biological offender of cesare lombroso s positivist criminal man through her examinations of these texts past demonstrates the links between literary philosophical and scientific constructions of the criminal and provides the basis for an important reconceptualization of italian crime fiction

scripture is an amazing word this is a word that both acts at the heart of a person's life and begets a testimony like itself the more a person looks into the depths of this word the clearer it is that there is both real human authorship and an incredibly subtle presence of the divine author there are not however two words but one mysteriously enriched word of god a word at once ancient and ever open to the challenges of contemporary questions and concerns secondly if dialogue is a characteristic of god scripture expresses this through the multitude of voices through which it is written so whether it is a matter of listening to this word in the church drawing on foundational studies on the biblical text or researching questions in embryology philosophy theology marriage and ecumenism a person is drawn into an amazingly fertile divine human dialogue indeed in the end it is impossible to express the number of human beings who are in this dialogue and in that very impossibility there is a glimpse of the mystery of god calling us to a dynamic communion finally given the great challenge of thinking that a person is so immersed in a subjectivism that drowns inter personal dialogue the word of god comes to strengthen the search for truth and facilitates the investigations that transcend individuals groups nations cultures and times for scripture cannot be more centred in a time a place a people it cannot be more subjective in its account of an immense variety of human experience but then the very historical consistency of the fact that this heritage of utterly human experience has been able to speak to mankind as a whole at any time in any place in any culture is an incredibly convincing testimony that this is a unique word a word that both arises out of a profound anthropology of man and can destroy isolation and effect communion this book then takes up these questions both intensely personal and profoundly contemporary and lets the words listen israel resound throughout its pages
