bobbi caught a glimpse of the car saw the blood splashed across the front seats and felt the nausea rise up it should have been her who was working last night not harriet it should have been her when a social worker is brutally murdered detectives mike nelson and lena overton are straight on the scene but with a long list of potential suspects can they work out who s next before the killer strikes again it s lake haven s first murder in eighteen years and the community is terrified especially bobbi who was not only supposed to be on duty that night but also has the same long dark hair as harriet and drives the same blue car now bobbi lives in constant fear that the murderer will be back for her when mike and lena make a link to a missing persons case and uncover a wide spread grudge against social services they know they re close to uncovering the killer but can they connect the last few dots and stop him before he takes another victim an addictive page turning thriller that will keep you guessing to the very end if you love robert dugoni john sandford or karin slaughter next to die is for you read what everyone is saying about next to die wow what an opening dragged me screaming and kicking right into the storyline a whole host of potential suspects and a minefield of clues made for a tense and bumpy ride in this gritty crime thriller it kept me guessing right up until the end a gripping and compelling read chapter in my life 4 stars woah what a brilliant opening to this story dark and full on it just pulls the reader straight in and then you re trapped till you ve finished a bloody brilliant story with an action packed explosive ending that will make your jaw drop i did not expect the outcome at all a true shocker i would highly recommend next to die to you all between the pages book club 4 stars this is a brilliant book it is a very dark thriller that i really enjoyed a real page turner with an exciting plot highly recommended goodreads reviewer 4 stars this book is brilliant you have to read it i loved it and read it in one sitting because i had to know what was going to happen next a brilliant read goodreads reviewer 5 stars a gripping story with plenty of twists and turns to keep you guessing until the end would definitely recommend this one stardust book reviews 4 stars this is my first book from this author and it won t be my last next to die is a gripping thriller it had me on the edge of my seat constantly guessing what s going to happen next i would recommend this book goodreads reviewer 4 stars excellent book totally gripped me from start to finish i was not expecting the ending at all read past my bedtime to finish this book goodreads reviewer 5 stars an exciting thriller the characters are very believable and the story has some twists and turns that leave you in the dark about who the killer is until the end goodreads reviewer 4 stars great book brilliant

storyline and excellent main characters i would not hesitate to recommend this book goodreads reviewer 5 stars many twists and turns and theories abounded in this book it was like peeling away layers and kept me reading and reading more i really enjoyed this book goodreads reviewer 4 stars twisty plot and almost a surfeit of suspects next to die is a good read which i have no hesitation in recommending goodreads reviewer 4 stars a well written puzzle of a mystery that will have you questioning exactly what is happening and who is the real bad guy goodreads reviewer 4 stars this is my second read by this author and i am really becoming a fan well written solid crime novel goodreads reviewer 4 stars

The Estrogen Patch

2021-12-28

from the heart of africa a spellbinding true story of entrepreneurship media culture and tradition all tastefully rolled into one absolute radio is an authentic story of girls and boys who became women and men and heroes on the wings of a radio station running the course of 25 years the story comes from the culturally stylish twin city of sekondi takoradi in ghana with global footprints it is the most tantalising and ground breaking body of work about ghana s private broadcasting industry the author former journalist phillip nyakpo is himself an eye witness and a participant in these true events from his base in perth australia phillip interviewed women and men across four continents who made it happen over a quarter of a century the result is that he opened up to the world a character and spirit of africa that is all too often missing in telling the story he writes a compelling narrative that is delicate witty eye opening and wonderfully inspiring
