Excuse Me! Let Me Speak... 2009-07

a new york times bestseller named a best book of 2023 by people usa today npr esquire good housekeeping real simple the boston globe crimereads and more a twisty immersive whodunit perfect for fans of donna tartt s the secret history people spellbinding the new york times book review an irresistible literary page turner the boston globe the riveting new novel part true crime page turner part campus coming of age san francisco chronicle from the author of the pulitzer prize and national book award finalist the great believers a successful film professor and podcaster bodie kane is content to forget her past the family tragedy that marred her adolescence her four largely miserable years at a new hampshire boarding school and the murder of her former roommate thalia keith in the spring of their senior year though the circumstances surrounding thalia s death and the conviction of the school s athletic trainer omar evans are hotly debated online bodie prefers needs to let sleeping dogs lie but when the granby school invites her back to teach a course bodie is inexorably drawn to the case and its increasingly apparent flaws in their rush to convict omar did the school and the police overlook other suspects is the real killer still out there as she falls down the very rabbit hole she was so determined to avoid bodie begins to wonder if she wasn t as much of an outsider at granby as she d thought if perhaps back in 1995 she knew something that might have held the key to solving the case in i have some questions for you award winning author rebecca makkai has crafted her most irresistible novel yet a stirring investigation into collective memory and a deeply felt examination of one woman s reckoning with her past with a transfixing mystery at its heart timely hypnotic and populated with a cast of unforgettable characters i have some questions for you is at once a compulsive page turner and a literary triumph

Answers to Science Questions from the Stop Faking It! Guy

2009

pj harvey s performances are premised on the core contention that she is somehow causing trouble just how this trouble can be theorised within the context of the music video and what it means for a development of the ways we might conceptualise disruption and think about music video lies at the heart of this book abigail gardner mixes feminist theory and critical models from film and video scholarship as a rich means of interrogating harvey s work and redefining her disruptive strategies the book presents a rethinking of the masquerade that allies it to cultural memory precipitated by

gardner's claim that harvey's performances are conversations with the past specifically with visualised memories of archetypes of femininity harvey's masquerades emerge from her conversations and renegotiations with both national and transatlantic musical visual and lyrical heritages it is the first academic book to present analysis of harvey's music videos and opens up fresh avenues into exploring what is at stake in the video work of one of britain's premier singer songwriters it extends the discussion on music video to consider how to make sense of the rapidly developing digital environment in which it now sits the interdisciplinary nature of the book should attract readers from a range of subject areas including popular music studies cultural studies media and communication studies and gender studies

I Have Some Questions for You 2023-02-21
