in an increasingly data driven world it is more important than ever for students as well as professionals to better understand basic statistical concepts 100 questions and answers about statistics addresses the essential questions that students ask about statistics in a concise and accessible way it is perfect for instructors students and practitioners as a supplement to more comprehensive materials or as a desk reference with quick answers to the most frequently asked questions the key strength of this book is the straightforward approach i love the to the point question and answer format this book would be useful in both statistics and research methods courses and in math tutoring labs i love the tone the author uses as it is not condescending students will be encouraged jamie brown mercer university the sequencing of the questions works very well from the most basic to the more intimidating questions often asked by students in an intro class if dr salkind is the author i know it will be well written and both entertaining and easy to understand linda martinez california state university long beach practical examples from all types of work showing the steps to do each analysis and then the ways to use the results responsibly jennifer r salmon eckerd college

100 Questions (and Answers) About Statistics 1980

during my career as a school principal i had a wonderful epiphany every student wherever they attended school belonged to me i may not have been their school principal but they were my students i had a duty to care not only for the students in my school but for students who attended schools everywhere though i am retired now i still feel that sense of duty to care for all students wherever they attend school and that is why i wrote a daily walk with god it is my hope that you will walk with god daily as you go to school it is my hope that you will be mindful of his presence in your life every day it is my hope that you will be mindful of his encouragement every day it is my hope that you will be mindful of his love every day every day of the week every hour of the day every moment of every hour you are that important to him it is my hope that a daily walk with god reminds you of that

breaking the cycle tells the inspiring story of young people whom many would write off as a lost cause but who thanks to a remarkable school are headed for success we learn about their world from teens like shawna the daughter of a crack addicted mother or andre the only one in his family not on drugs or daron kicked out of his home by an abusive father challenged by the pernicious factors of their environment drugs violence fatherless homes and poor educational backgrounds students at the dayton early college academy are nevertheless beating the odds all are headed for college from which the vast majority will graduate the book reveals how this school is succeeding when so many fail it conveys the hopeful message that others can replicate much of what deca does and save a generation mired in despair america s failure to educate its urban children is evidenced by our woeful statistics if it is possible to turn around this bleak picture and it is this is a story well worth telling and this is what breaking the cycle aims to do for more information on the book including interviews with the author please check out nancybdiggs com
