A Kid's TV Guide

1979

for the few hundred television viewers in 1946 a special treat on the broadcast schedule was the variety show called hour glass it was the first tv program to go beyond talking heads cooking demonstrations and sporting events featuring instead dancers comics singers and long commercials for its sponsor chase and sanborn coffee within two years another variety show texaco star theatre became the first true television hit and would be credited with the sales of thousands of television sets the variety show formula was a staple of television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio most of the early television stars including jackie gleason milton berle sid caesar ed sullivan red skelton dinah shore and arthur godfrey rose to prominence through weekly variety shows in the 1960s major stars such as jerry lewis dean martin judy garland and danny kaye were hosting variety shows by the 1970s the format was giving way to sitcoms and dramas but pop music stars sonny and cher tony orlando and dawn and donny and marie osmond hosted some of the last of the species this book details 57 variety shows from the 1940s through the 1990s a history of each show is first provided followed by a brief look at each episode air date guest stars sketches performed and a listing of songs featured are included

TV Guide

2007

discusses some of the good and bad aspects of television and points out safety factors to observe while watching television how to choose a suitable program and how to adopt a critical approach to commercials

The TV Guide Book of Lists

1998-03-04

la couverture indique alan nadel s new book reminds us that most of the images on early tv were decidedly caucasian and directed at predominantly white audiences television did not invent whiteness for america but it did reinforce it as the norm particularly during the cold war years nadel now shows just how instrumental it was in constructing a narrow conservative and very white vision of america during this era prime time tv was dominated by adult westerns with heroes like the rebel s johnny yuma reincarnating southern values and bonanza s cartwright family reinforcing the notion of white patriarchy programs that nadel shows bristled with cold war messages even as they spoke to the nation s mythology america had become visually reconfigured as a vast ponderosa crisscrossed by concrete highways designed to carry suburban white drivers beyond the moral challenge of racism racial poverty and increasingly vocal civil rights demands

Television

1970

this seventh volume on orality and literacy in ancient greece and rome presents a series of essays that explore the workings of memory in ancient texts and artworks marking the shift over centuries from an oral to a literate culture

TV Guide

1978

Film and Television Collections in Europe - the MAP-TV Guide

2006-01-16

branded a cultural chernobyl and the tragic kingdom the euro disney resort has been on its own thrill ride since opening in 1992 the much publicized version of the magic kingdom gave europeans alcohol free mocktails surly employees even colors too muted for the disney image facing financial disaster was it any wonder that disney execs found themselves wishing upon a star for answers after so many knee jerk criticisms of euro disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of american cultural imperialism andrew lainsbury a former euro disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine europe s love hate relationship with euro disneyland and some of the undiscussed issues surrounding it once upon an american dream is a story of global capitalism on a grand scale lainsbury has plumbed company archives and interviewed key players to give readers the real view from le chateau de la belle au bois dormant sleeping beauty s castle he cracks open the euro disney controversy to reveal the park not as a tragic experiment in exporting american culture but the result of european efforts to import a popular form of american entertainment lainsbury tells how the walt disney company came to build a european park and locate it in france how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from saudi arabia he reveals what it took to win back the hearts of skeptical europeans such as serving wine selling flashy merchandise and placating disgruntled workers finally he looks into the magic mirror to speculate on the role of euro disney and the walt disney company in the twenty first century ultimately lainsbury shows that cultural imperialism is not an exclusively american phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared once upon an american dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what euro disneyland is all about

Changing Channels

1992

uncovers the rumors scandals and secrets of television stars and covers their feuds early roles and tabloid headlines

TV Guide

1980-03-01
