why is music so important to most of us how does music help us both in our everyday lives and in the more specialist context of music therapy this book suggests a new way of approaching these topical questions drawing from andsell s long experience as a music therapist and from the latest thinking on music in everyday life vibrant and moving examples from music therapy situations are twinned with the stories of ordinary people who describe how music helps them within their everyday lives together this complementary material leads andsell to present a new

interdisciplinary framework showing how musical experiences can help all of us build and negotiate identities make intimate non verbal relationships belong together in community and find moments of transcendence and meaning how music helps is not just a book about music therapy it has the more ambitious aim to promote from a music therapist s perspective a better understanding of music and change in our personal and social life andsell s theoretical synthesis links the tradition of nordoff robbins music therapy and its recent developments in community music therapy to contemporary music sociology and music studies this book will be relevant to practitioners academics and researchers looking for a broad based theoretical perspective to guide further study and policy in music well being and health
