Health Professions in Nigeria 2021-10-18

this book provides a unique assessment of the nigerian healthcare system s different professions it begins by examining the fundamentals of health professions to contextualize the issues explored in the book in more detail it goes on to present the hierarchy of occupations professionalization and the evolutionary path and socialization milestones that occupations attempting to attain true professions status and power transcend it also analyses the differences between professional autonomy direct access and independent practice the latter parts identify nigeria s primary healthcare professions and vocational careers and discuss their central roles each discipline s specialty including the biography of 35 notable pioneer nigerian healthcare professionals during the 19th and early 20th centuries the book concludes by analyzing the causes and adverse impacts of interprofessional conflict and industrial action within the nigerian healthcare system and proposes the interdisciplinary team concept as a panacea for both conundrums

The Politics of History in Contemporary Africa 2010-07-19

this book mediates a dialectics between power and subjectivity versus history and politics the invention of africa is not merely a residue of africa s encounter with europe but a project in continuity in contemporary history of africa where history has become a location of struggle and meaning a location of power and domination eze contends that postcolonial african studies that thrive by way of unanimity analogy or homogeneity are merely advancing a defeatist historicism it attempts to gain essence by inverting the terms of colonial discourse and is decisively implicated in the very logic of coloniality this method of historiography not only stifles the overall socio political imagination of contemporary africa but offers a dogmatic blueprint for politics of domination eze argues that a chance for an african renaissance is dependent on review mechanisms of african historiography

Microfinance and Poverty Reduction: An Empirical Evidence from Benin Metropolis South-South of Nigeria 2013-10

this book is an empirical study of how microfinance impacts on poverty reduction in nigeria the book examined conceptual issues in poverty and microfinance with focus on the nature and incidences of the poverty phenomenon justification for the establishment and growth of microfinance in nigeria this book with theoretical and empirical findings investigates the previous attempts by the governments in alleviating poverty and specifically how microfinance have helped in reducing the poverty menace especially since the promulgation of the microfinance banking act in 2005 by the central bank of nigeria
