internet and the negotiation of identity the highly anticipated release of the most personal novel by kyung sook shin who first burst on to the literary scene with the new york times bestseller please look after mom homesick and alone a teen aged girl has just arrived in seoul to work in a factory her family still in the countryside is too impoverished to keep sending her to school so she works long sun less days on a stereo assembly line struggling through night school every evening in order to achieve her dream of becoming a writer korea s brightest literary star sets this complex and nuanced coming of age story against the backdrop of korea s industrial sweatshops of the 1970 s and takes on the extreme exploitation oppression and urbanization that helped catapult korea s economy out of the ashes of war but it was girls like shin s heroine who formed the bottom of seoul s rapidly changing social hierarchy forgotten and ignored richly autobiographical the girl who wrote loneliness lays bare the conflict and confusion shin faces as she confronts her past and the sweeping social change of the past half century cited in korea as one of the most important literary novels of the decade this novel cements shin s legacy as one of the most insightful and exciting writers of her generation a powerful source of healing for teen girls and young women who have experienced sexual abuse invisible girls offers survivors agency and hope in an era when too many girls have suffered alone the statistics are staggering one in four girls will experience sexual abuse by the time she is sixteen and 48 percent of all rapes involve a young woman under the age of eighteen it s not surprising then that in a society where sexual abuse of young women is rampant many women never share their stories they remain hidden and invisible in her pioneering work with young survivors through the last thirty years dr patti feureisen has helped teen girls and young women to find their voices begin healing and become visible in this revised second edition dr patti s gentle guidance and the girls powerful stories continue to create an encouraging message remarkable healing is possible if girls learn to share their stories in their teens and early twenties with a new introduction new chapters and updated resources this new edition of invisible girls has even more to offer girls young women and those who care about them fans of stephen king stuart macbride and karin slaughter will devour this dark and disturbing thriller from bestselling and prize winning author mo hayder expertly weaving ancient rites with modern forensics it draws you in and paints a picture so vivid and compelling in the mind you ll be hooked from page one intensely enthralling observer expect plenty of blood gore and black magic daily mirror a vivid and thorough exploration of the clash between ancient superstition and modern science with plenty of thrills and chills along the way guardian really can recommend and i m not one for giving the story away so try it yourself and you won t be disappointed reader review i couldn t put it down and finished it in a week reader review fantastic and thrilling reader review darkly enthralling was hooked in reader review just after lunch on a tuesday in april nine feet under water police diver flea marley closes her gloved fingers around a human hand the fact that there s no body attached is disturbing enough yet more disturbing is the discovery a day later of the matching hand both have been recently amputated and the indications are that the victim was still alive when they were removed di jack caffery has been newly seconded to the major crime investigation unit in bristol he and flea soon establish that the hands belong to a boy who has recently disappeared their search for him and for his abductor lead them into the darkest recesses of bristol s underworld where drug addiction is rife where street kids sell themselves for a hit and where an ancient evil lurks an evil that feeds off the blood and flesh of others gerhard gentzen 1909 1945 is the founder of modern structural proof theory his lasting methods rules and structures resulted not only in the technical mathematical discipline called proof theory but also in verification programs that are essential in computer science the appearance clarity and elegance of gentzen s work on natural deduction the sequent calculus and ordinal proof theory continue to be impressive even today the present book gives the first comprehensive detailed accurate scientific biography expounding the life and work of gerhard gentzen one of our greatest logicians until his arrest and death in prague in 1945 particular emphasis in the book is put on the conditions of scientific research in this case mathematical logic in national socialist germany the ideological fight for german logic and their mutual protagonists numerous hitherto unpublished sources family documents archival material interviews and letters as well as gentzen s lectures for the mathematical public make this book an indispensable source of information on this important mathematician his work and his time the volume is completed by two deep substantial essays by jan von plato and craig smoryński on gentzen s proof theory its relation to the ideas of hilbert brouwer weyl and gödel and its development up to the present day smoryński explains the hilbert program in more than the usual slogan form and shows why consistency is important von plato shows in detail the benefits of gentzen s program this important book is a self contained starting point for any work on gentzen and his logic the book is accessible to a wide audience with different backgrounds and is suitable for general readers researchers students and teachers

witty poignant and deeply moving novel from one of australia s most exciting writers shortlisted for the age book of the year and the readings new australian fiction prize in 2023 inventive moving superb the australian margaret bryce deceased mother of twins has been having a hard time since dying in 2014 these days she spends time with her daughters eva in madrid and rachel and her family in melbourne and her estranged husband henry in aberdeen mostly she enjoys the experience of revisiting the past but she s tiring of the seemingly random events to which she repeatedly bears witness there must be something more to life she thinks and death spanning more than seventy five years from 1945 to 2021 a country of eternal light follows margaret as she flits from wartime germany to thatcher s britain to modern day scotland australia and spain ruminating on everything from the piper alpha oil rig disaster and australia s black summer bushfires to mary queen of scots beheading the death of princess diana and in vitro fertilisation but why is facing up to what s happened in one s past as hard as if not harder than blocking it out completely a poignant utterly original and biting funny novel about complicated grief and how we remain wanted by our loved ones dead or alive praise for a country of eternal light prepare to have your heart broken and mended and broken again as you flit with everywoman margaret bryce aberdonian housewife and unwilling phantom through scenes in her life that tumble over its boundaries paul dalgarno writes with mischievous delight and compassionate intelligence on that which animates us in the face of mortality exhuming what is unremembered with clear eyed wisdom and impeccable craft i gasped in sheer wonder on finishing this illuminating meditation on the demands of grief time and love that fragment and bind a family mary shelley would clap her hands in delight at such an audacious creation josephine taylor author of eye of a rook paul dalgarno s luminous novel is transportive taking us on a metaphysical literary journey that interrogates the nature of death while exploring the outer limits of grief uncanny evocative and droll a country of eternal light reminds us that no one is ever truly gone and sometimes like this book we don t want them to leave chris flynn author of mammoth a balance of electric brightness and sequestered shadows a powerful rollicking and memorable narrative the reader is invited to be intimate with the experience of revisiting the past hoping for the future and regretting what cannot be changed a philosophical emotional and entertaining work startlingly imagined angela meyer author of a superior spectre wonderful heartbreaking and beautiful dalgarno weaves time family and love effortlessly a book that will continue to echo in my heart r w r mcdonald author of the nancys such playfulness of language and gloriousness of detail so unique and inventive i am in awe michelle johnston author of tiny uncertain miracles a magical and invigorating ride a joyful tender novel about an unusual family showing playfulness at every turn laura elvery author of ordinary matter wildly inventive and bursting with heart paul dalgarno s a country of eternal light is one of the most original meditations on life love and family you ll ever come across at its core are the questions how is a life constructed from the memories we choose to remember and what of those we ll do anything to forget a kaleidoscopic novel wrestling with grand ideas featuring an unforgettable protagonist and a sting in the tail that ll have you rushing back to the beginning to figure out how dalgarno executed his devastating sleight of hand wayne marshall author of shirl i absolutely adored this book and the dark whimsy of its big hearted narrator a delicate exploration of love loss and the small yet significant details that make up a human life a country of eternal light will both devastate and sustain you long after its final page imbi neeme author of the spill a startlingly ambitious novel astonishingly accomplished bittersweet poignant and funny paul dalgarno has gifted the world something quite rare a novel that is not only an immersive engaging and entertaining read but one that makes us think a country of eternal light arouses one s curiosity in a way that few novels can do the year is young indeed but i am quietly confident this wonderful novel might well be my favourite read for 2023 readings playful shimmering a delight dalgarno is an author whose sense of playfulness establishes the terms and conditions of an eminently readable narrator charismatic yet patient moulded by an elastic sense of the plausible and yet anchored by exactly the right feeling for the truths that matter most when confronted with the long view of a life in full sydney morning herald often playful and always deep an underlying sadness penetrates these pages then again so does joy with passages capable of eliciting laughter and tears in quick succession these reruns of life combine humour and heart with beautiful prose in glorious detail a country of eternal light overflows with beauty and pain twin concepts with emotional tendrils that are irrevocably intertwined a subtle sense of foreboding permeates this stunning narrative about the ephemeral nature of human life culminating in a conclusion capable of cracking a reader in two artshub long listed for the center for fiction first novel prize an amazon best book of the month a buzzfeed most exciting book of the short novel is dedicated to my wonderful family my children cathy fernando phillip my grandchildren jozette alaena phoenix and my husband max the novel is especially written for an audience of young readers or adults who choose to have a childs imagination it was such fun for me to develop the characters and scenes of this mystery it all starts with a womans silhouette that appears on the third floor window of this old victorian mansion no one in the town of sneila has ever seen her except when she stands behind the sheer curtain the children of the town look forward to halloween every year the children together walk down the dirt road to the mansion that sits at the edge of town behind enormously tall trees and a black iron fence every halloween the children know that in front of the mansion outside the gate there will be a mysterious white cauldron filled with magic candies for each child the candies are in baggies with each childs name written on the front of the baggie how does she know every childs name where does this candy come from the children agree that the candy is very different like its out of this world these are only two of the mysteries that exist in the town of sneila much mystery lives in the town of sneila the number of people in this town never changes when one person dies another is born people who die are not buried the number 8 appears throughout the town sometimes you have to add two digits to find the 8 the infinity symbol appears throughout the novel magic turtles surface and communicate with the two main characters samantha and victoria flickering lights hidden doors basement baskets spaceships magic turtles mysterious bubbles candles and fairies create a magical kingdom wrinkles and gray hair are witnesses to times past the surprise ending is sure to give you goose bumps other books from the author include the following sleepy tears laughing tears sleepy tears miss you tears gods love is real poetry book friends and angels poetry book the secret meeting of the sworceracs in this study of surrealism and ghostliness katharine conley provides a new unifying theory of surrealist art and thought based on history and the paradigm of puns and anamorphosis in surrealist ghostliness conley discusses surrealism as a movement haunted by the experience of world war i and the repressed ghost of spiritualism from the perspective of surrealist automatism this double haunting produced a unifying paradigm of textual and visual puns that both pervades surrealist thought and art and commemorates the surrealists response to the freudian unconscious extending the gothic imagination inherited from the eighteenth century the surrealists inaugurated the psychological century with an exploration of ghostliness through doubles puns and anamorphosis revealing through visual activation the underlying coexistence of realities as opposed as life and death surrealist ghostliness explores examples of surrealist ghostliness in film photography painting sculpture and installation art from the 1920s through the 1990s by artists from europe and north america from the center to the periphery of the surrealist movement works by man ray claude cahun brassã and salvador dalí lee miller dorothea tanning francesca woodman pierre alechinsky and susan hillier illuminate the surrealist ghostliness that pervades the twentieth century arts and compellingly unifies the century s most influential yet disparate avant garde movement this work charts the rich and varied history of wallpaper from its modest beginnings in the 16th century through the lavish designs of the 18th century to the computer generated patterns of the late 20th century
