My Bookstore 2017-04-11

in my bookstore our favorite writers from elin hilderbrand to john grisham to dave eggers express their adoration and admiration for their favorite bookstores and booksellers the relationship between a writer and her local bookstore can last for years or even decades often it is the author s local store that supported her during the early days of her career and that works tirelessly to introduce her work to new readers but authors are also readers and customers just like us for them as for most of us bookstores serve as the anchor for our communities the place that introduces us to new ideas and new neighbors and that sets our children on the path to becoming lifelong readers and lovers of books brimming with original deeply moving funny and exceedingly well crafted tributes to bookstores from longfellow books in portland maine ron currie jr to powells city of books in portland oregon chuck palahniuk and everywhere in between my bookstore is a joyful celebration of our bricks and mortar stores and a clarion call to readers everywhere at a time when the value and importance of these stores should be shouted from the rooftops
