The Exile and Return of Writers from East-Central Europe 2009-10-28 the diverse musics of the caribbean form a vital part of the identity of individual island nations and their diasporic communities at the same time they witness to collective continuities and the interrelatedness that underlies the region's multi layered complexity this companion introduces familiar and less familiar music practices from different nations from reggae calypso and salsa to tambú méringue and soca its multidisciplinary thematic approach reveals how the music was shaped by strategies of resistance and accommodation during the colonial past and how it has developed in the postcolonial present the book encourages a comparative and syncretic approach to studying the caribbean one that acknowledges its patchwork of fragmented dynamic plural and fluid differences it is an innovative resource for scholars and students of caribbean musical culture particularly those seeking a decolonising perspective on the subject

Return to Badlidrempt - Music Workshop 1977 jazz has had a peculiar and fascinating history in germany the influential but controversial german writer broadcaster and record producer joachim ernst berendt 1922 2000 author of the world's best selling jazz book labored to legitimize jazz in west germany after its ideological renunciation during the nazi era german musicians began in a highly productive way to question their all too eager adoption of american culture and how they sought to make valid artistic statements reflecting their identity as europeans this book explores the significance of some of berendt's most important writings and record productions particular attention is given to the jazz meets the world encounters that he engineered with musicians from japan tunisia brazil indonesia and india this proto world music demonstrates how some west germans went about creating a post nationalist identity after the third reich berendt's powerful role as the west german jazz pope is explored as is the groundswell of criticism directed at him in the wake of 1968

Return to Riemann 2024 this edited collection offers an interdisciplinary study of twin peaks the return the third season of a tv program that has attracted the attention and appreciation of spectators fans and critics for over two decades the book takes readers into several distinct areas and addresses the different approaches and the range of topics invited by the multidimensionality of the subject itself the philosophical the artistic the socio cultural and the personal the eighteen chapters constituting the volume are academic in their approach to the subject and in their methodology whether they apply a historical psychoanalytical film studies or gender studies perspective to the text under examination the variety and range of perspectives in these aforementioned chapters reflect the belief that a study of the full complexity of twin peaks the return as well as a timely assessment of the critical importance of the program requires both an interdisciplinary perspective and the fusion of different intellectual approaches across genres the chapters demonstrate a collective awareness of the tv series as a fundamental milestone in contemporary culture

The Atlantic's return 1851 in this one of a kind volume iraida lópez explores various narratives of return by those who left cuba as children or adolescents including memoirs semi autobiographical fiction and visual arts many of these accounts feature a physical arrival on the island while others depict a metaphorical or vicarious experience by means of fictional characters or childhood reminiscences as two way migration increases in the post cold war period many of these narratives put to the test the boundaries of national identity through a critical reading of works by cuban american artists and writers like maría brito ruth behar carlos eire cristina garcía ana mendieta gustavo pérez firmat ernesto pujol achy obejas and ana menéndez lópez highlights the affective ties as well as the tensions underlying the relationship between returning subjects and their native country impossible returns also looks at how cubans still living on the island depict returning émigrés in their own narratives addressing works by jesús díaz humberto solás carlos acosta nancy alonso leonardo padura and others blurring the lines between disciplines and geographic borders this book underscores the centrality of cuba for its diaspora and bears implications for other countries with widespread populations in exile

The Cambridge Companion to Caribbean Music 2022-08-04 modern literature has always been obsessed by music it cannot seem to think about itself without obsessing about music and music has returned the favour the routledge companion to music and modern literature addresses this relationship as a significant contribution to the burgeoning field of word and music studies the 37 chapters within consider the partnership through four lenses the universal opera and literature musical and literary forms and popular music and literature and touch upon diverse and pertinent themes for our modern times ranging from misogyny to queerness racial inequality to the claimed universality of whiteness this companion therefore offers an essential resource for all who try to decode the musico literary exchange

Impossible Returns 2018-03-19 friedrich nietzsche 1844 1900 supported the unification of europe and reflected on this like few other philosophers before or after him many of his works are concerned with the present state and future of european culture and humanity resisting the nationalist nonsense and politics of dissolution of his day he advocated the birth of good europeans i e supra national individuals and the amalgamation of nations nietzsche wagner europe analyzes the development of friedrich nietzsche s ideal of european culture based on his musical aesthetics it does so against the background of contemporary searches for a wider cultural meaning beyond europe s economic political union the book claims that nietzsche always propagated the aestheticization of europe but that his view on how to achieve this changed as a result of his dramatically altering philosophy of music the main focus is on nietzsche s passion for and later aversion to wagner s music and in direct connection with this his surprising embrace of italian operas as new forms of dionysian music and of goethe as a model of good europeanism

The Routledge Companion to Music and Modern Literature 2022-05-26 a wide ranging exploration of how music has influenced science through the ages from fifteenth century cosmology to twentieth century string theory in the natural science of ancient greece music formed the meeting place between numbers and perception for the next two millennia pesic tells us in music and the making of modern science liberal education connected music with arithmetic geometry and astronomy within a fourfold study the quadrivium peter pesic argues provocatively that music has had a formative effect on the development of modern science that music has been not just a charming accompaniment to thought but a conceptual force in its own right pesic explores a series of episodes in which music influenced science moments in which prior developments in music arguably affected subsequent aspects of natural science he describes encounters between harmony and fifteenth century cosmological controversies between musical initiatives and irrational numbers between vibrating bodies and the emergent electromagnetism he offers lively accounts of how newton applied the musical scale to define the colors in the spectrum how euler and others applied musical ideas to develop the wave theory of light and how a harmonium prepared max planck

to find a quantum theory that reengaged the mathematics of vibration taken together these cases document the peculiar power of music its autonomous force as a stream of experience capable of stimulating insights different from those mediated by the verbal and the visual an innovative e book edition available for ios devices will allow sound examples to be played by a touch and shows the score in a moving line
