excerpt from a solemn review of the custom of war in any stage of their progress unfortunate disputes might arise by the imprudence the avarice or the ambition of individuals now at what period would it be proper to introduce the custom of deciding controversies by the edge of the sword or an appeal to arms might this be done when the families had increased to ten who would not be shocked at the madness of introducing such a custom under such circumstances might it then with more propriety be done

when the families had multiplied to fifty or to a hundred or a thousand or ten thousand the greater the number the greater the danger the carnage and calamity besides what reason can be given why this mode of deciding controversies would not be as proper when there were but ten families as when there were ten thousand and why might not two individuals thus decide disputes as well as two nations about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

5500 the author has spent upwards of ten years in working on this book his objective is to clarify the military aspect of the moscow peking dialogue which has not yet received its deserved treatment the apogee of that dialogue seems to have been passed toward the end of the rule of khrushchev yet the vietnam war spawns fresh contention our cover age will span the development from 1956 to the present the beginning of the dispute with regard to the origins of war in general is taken up in the first two chapters the next three chapters discuss the several types of war with the frame of reference set in what now appears to be a quondam era but the principle differences between the disputants are just as outstanding today as they were then the penultimate chapter is somewhat wide in scope in order to deal with the larger and more intensely bitter polemics evolving after khrushchev left office there have been many new and startling views held by both sides since then views splitting them poles apart omi nously at issue now is the question of sino soviet peaceful coexistence our work obviously cannot wait until that question is answered to be finished the final chapter concludes our study to write of subjects as dynamic as this one is a challenge because they are current affairs due to the swift change of events no sooner is our typescript put to press than it needs a revision in the pious war joseph bottum has joined with rabbi david g dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking pious xii the pious war and the detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of catholicism the holocaust and world war ii the erstwhile enemy of the usaf and us navy during the nine years of american involvement in the vietnam war the vietnamese peoples air force vpaf quickly grew from an ill organised rabble of poorly trained pilots flying antiquated communist aircraft into a highly effective fighting force that more than held its own over the skies of north vietnam flying soviet fighters like the mig 17 and 19 the vpaf produced over a dozen aces whilst the americans managed just two pilots and three navigators in the same period why has america stopped winning wars for nearly a century up until the end of world war ii in 1945 america enjoyed a golden age of decisive military triumphs and then suddenly we stopped winning wars the decades since have been a dark age of failures and stalemates in korea vietnam iraq and afghanistan exposing our inability to change course after battlefield setbacks in this provocative book award winning scholar dominic tierney reveals how the united states has struggled to adapt to the new era of intractable guerrilla conflicts as a result most major american wars have turned into military fiascos and when battlefield disaster strikes washington is unable to disengage from the quagmire with grave consequences for thousands of u s troops and our allies but there is a better way drawing on interviews with dozens of top generals and policymakers tierney shows how we can use three key steps surge talk and leave to stem the tide of losses and withdraw from unsuccessful campaigns without compromising our core values and interests weaving together compelling stories of military catastrophe and heroism this is an unprecedented timely and essential guidebook for our new era of unwinnable conflicts the right way to lose a war illuminates not only how washington can handle the toughest crisis of all battlefield failure but also how america can once again return to the path of victory

the border states during the civil war have long been ignored or misunderstood in general histories this book corrects that oversight explaining how many border state residents used wartime realities to redefine their politics and culture as southern by studying the characteristics of those positioned along this fault line during the civil war the centrality of the war issue of slavery which border residents long eschewed as being divisive became apparent this book explains how the process of southernization occurred during and after the civil war a phenomenon largely unexplained by historians beyond the

broader more traditional narrative of the clash of arms within these border slave states raged an inner civil war that shaped the military and political outcomes of the war as well as these states cultural landscapes author christopher phillips describes how the civil war experience in the border states served to form new loyalties and communities of identity that both deeply divided these states and distorted the meaning of the war for postwar generations during the cold war national discourse strove for unity through patriotism and political moderation to face a common enemy some authors and intellectuals supported that narrative by casting america s complicated history with race and poverty as moral rather than merely political problems southern literature cold war culture and the making of modern america examines southern literature and the culture within the united states from the period just before the cold war through the civil rights movement to show how this literature won a significant place in cold war culture and shaped the nation through the time of hillbilly elegy tackling cultural issues in the country through subtext and metaphor the works of authors like william faulkner lillian smith robert penn warren eudora welty ralph ellison alice walker and walker percy redefined south as much more than a geographical identity within an empire the south has become a racially coded sociopolitical and cultural identity associated with white populist conservatism that breaks geographical boundaries and as it has in the past continues to have a disproportionate influence on the nation s future and values many years after the united states initiated a military response to the terrorist attacks of september 11 2001 the nation continues to prosecute an armed conflict against transnational terrorist groups today it remains just as vital to understand how the law of armed conflict applies to and regulates military operations executed within the scope of this armed conflict against transnational non state terrorist groups in the war on terror and the laws of war seven legal scholars each with experience as military officers focus on how to strike an effective balance between the necessity of using armed violence to subdue a threat to the nation with the humanitarian interest of mitigating the suffering inevitably associated with that use each chapter addresses a specific operational issue including the national right of self defense military targeting and the use of drones detention interrogation and trial by military commission of captured terrorist operatives while illustrating how the law of armed conflict influences resolution of that issue this second edition carries on the critical mission of continuing the ongoing dialogue about the law from an unabashedly military perspective bringing practical wisdom to the contentious topic of applying international law to the battlefield book jacket this book offers the first account of the foundation organisation and activities of the nato information service natis during the cold war during the cold war natis was pivotal in bringing national delegations together to discuss their security information and intelligence concerns and when appropriate or possible to devise a common response to the communist threat at the same time natis liaised with bodies like the atlantic institute and the bilderberg group in the attempt to promote a coordinated western response the nato archive material also shows that natis carried out its own information and intelligence activities propaganda and intelligence in the cold war provides the first sustained study of the history of natis throughout the cold war examining the role of natis as a forum for the exchange of ideas and techniques about how to develop and run propaganda programmes this book presents a sophisticated understanding of the extent to which national information agencies collaborated by focusing on the degree of cooperation on cultural and information activities this analysis of natis also contributes to the history of nato as a political alliance and reminds us that nato was and still is primarily a political organisation this book will be of much interest to students of nato cold war studies intelligence studies and ir in general unlike most books about the civil war which address individual battles or the war at the national level states at war a reference guide for michigan in the civil war chronicles the actions of an individual state government and its citizenry coping with the war and its ramifications from transformed race relations and gender roles to the suspension of habeas corpus to the deaths of over 10 000 michigan fathers husbands sons and brothers who had been in action the book compiles primary source material including official reports legislative journals executive speeches special orders and regional newspapers to provide an exhaustive record of the important roles michigan and michiganders had in the war though not burdened by marching armies or military occupation like some states to the southeast michigan nevertheless had a fascinating civil war experience that was filled with acute economic anxieties intense political divisions and vital contributions on the battlefield this comprehensive volume will be the essential starting point for all future research into michigan s civil war era history during the second world war several independent business organizations in the us devoted considerable energy to formulating and advocating social and economic policy options for the us government for implementation after the war this planning community of far sighted businessmen joined with academics and government officials in a nationwide endeavor to

ensure that the colossal levels of productivity achieved by the us during wartime continued into the peace at its core this effort was part of a wider struggle between liberals moderates and conservatives over determining the economic and social responsibilities of government in the new post war order in this book charlie whitham draws on an abundance of unpublished primary material from private and public archives that includes the minutes memoranda policy statements and research studies of the major post war business planning organisations on a wide range of topics including monetary policy demobilization labor policy international trade and foreign affairs this is the untold story of how the post war business planners of all hues helped shape the moderate consensus which prevailed after 1945 over a permanent but limited government responsibility for fiscal welfare and labor affairs advanced american interests overseas and established this book features a comprehensive historical account of the first world war 1914 1918 based on official sources diplomatic and state papers contemporaneously known as the great war or the war to end all wars it led to the mobilization of more than 70 million military personnel including 60 million europeans making it one of the largest wars in history it is also one of the deadliest conflicts in history with an estimated nine million combatant deaths and 13 million civilian deaths as a direct result of the war while resulting genocides and the related 1918 spanish flu pandemic caused another 17 100 million deaths worldwide including an estimated 2 64 million spanish flu deaths in europe and as many as 675 000 spanish flu deaths in the united states contents indirect causes of the war political and diplomatic history of europe from 1866 to 1914 with a chapter on the historical development of japan the balkans direct causes of the war diplomatic papers relating to the origin of the war collated from the official documents great battles of the western armies naval operations the war on the eastern front the austro serbian campaign austro russian campaign russo german campaign turkey and the dardanelles russian and turkish campaign japan and the far east the war in africa the western front italy enters the war the dardanelles and turkey the war in africa war in arabia mesopotamia and egypt war in syria and egypt aggressive turkish campaign at dardanelles campaign in mesopotamia the united states and the belligerents austrian propaganda operations on the sea campaign on the eastern front the balkans campaign in mesopotamia and persia western front somme and verdun war in the air and on the sea the united states and germany the russian revolution eastern front campaigns in palestine arabia mesopotamia and africa the western front the italian campaign the great war s end victory on the sea the american army in france the peace conference at paris the story of canada in the great war of the icty the american theater was not ignorant of the developments brought on by world war ii and actively addressed and debated timely controversial topics for the duration of the war including neutrality and isolationism racism and genocide and heroism and battle fatigue productions such as watch on the rhine 1941 the moon is down 1942 tomorrow the world 1943 and a bell for adano 1944 encouraged public discussion of the war s impact on daily life and raised critical questions about the conflict well before other forms of popular media american drama of the 1940s is frequently overlooked but the plays performed during this eventful decade provide a picture of the rich and complex experience of living in the united states during the war years mclaughlin and parry s work fills a significant gap in the history of theater and popular culture showing that american society was more divided and less idealistic than the received histories of the wwii home front and the entertainment industry recognize a multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history a cornerstone work in abc clio s distinguished list of reference works on military history the encyclopedia of the korean war a political social and military history is a comprehensive resource on the confrontation that became the first shooting war of the cold war the first limited conflict of the atomic age and the war that led to a dramatic escalation of the national security state while foreshadowing u s involvement in vietnam encyclopedia of the korean war offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield but this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well incorporating a wealth of recent research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume historians of the american civil war have debated a wide range of questions raised by the war and its outcome none have been more vigorously argued as those surrounding its outcome one of the leading explanations for confederate defeat has been the argument that the civil war south lacked a national identity related to and supporting this argument is the contention that the civil war south failed to produce a distinct and vibrant literary culture these contentions have been challenged by a growing body of literature which argues that

the civil war south did produce a sense of cultural and national identity this book adds to this counter current through an examination of the civil war experiences and writings of the antebellum south s leading literary figure surprisingly given william gilmore simms well known status prior to the war his life and work during the course of the war itself has been understudied this examination reveals the depth and extent to which simms not only supported the confederate war effort but how simms conceptualized and articulated a vision of confederate nationalism covering a range of topics settings and styles the book offers the first comprehensive study of short fiction from the first world war publisher description

Thoughts of World War Two 1996-01-01 the child stood in the road wearing a blue flannel nightie her feet bare and dirt splattered her blonde flyaway hair was golden aglow from the fires behind her stumbling over lizzie reached her the little girl s eyes were closed her palms facing upwards if she d been in church you would have thought she was praying september 1940 london as the german luftwaffe begin a terrifying bombing campaign that will come to be known as the blitz thousands are evacuated to safety but lizzie mackenzie finds herself heading towards london she knows she must help in the war effort but she has another reason for leaving the security of her scottish village the illegitimate child she gave up for adoption nearly five years before is somewhere in the city and as the bombs rain down she will stop at nothing to find her and make sure her little girl is safe then she finds herself trapped in a dark theatre during a bombing raid where she meets pilot officer jack henson against all her instincts she falls in love but what chance is there for that love to flourish because if he discovers the secret shame of her past he may never forgive her and with jack facing the enemy every day in the sky and lizzie s job guiding pilots into battle life and love has never felt so fragile until a chance encounter with a little orphaned girl changes everything forcing lizzie to ask herself what truly matters because in the darkest days of war every life counts and when tragedy strikes saving one child s life might just give lizzie a reason to survive an unforgettable story about sacrifice love and heartbreak set in world war two london during the blitz if you liked all the light we cannot see my name is eva and a fire sparkling you will love under a sky on fire readers love under a sky on fire omg i felt the fear and the terror within the pages as if i was there living it it is heartbreaking but it is also heartwarming i laughed and i cried and by the end i felt i had lived those lives alongside those women you cannot come through under a sky on fire unscathed you will feel that you have lived it too by the end of the story i was so moved and in tears will remain with you for a long time to come confessions of a bookaholic a 10 star book in every aspect it has intrigue romance action drama and twists could not put the book down goodreads reviewer historical fiction at its best an amazing story of the bravery of women during the war to read this story is to feel as though you were actually there during the blitz goodreads reviewer three words have tissues ready fantastic the emotion that pours from the pages is absolutely heart wrenching i loved every minute of this book even though it left me a sniffing mess by the end fireflies and free kicks a spine chilling account of hitler s relentless bombing of the city against the backdrop of the equally relentless courage of the british a book you will not be able to put down a gripping story and one you do not want to miss christian novel review by reading under a sky on fire you understand what life was like in england during wwii the sacrifices everyone made the incredible determination faith and enduring spirit of english people i highly recommend the book goodreads reviewer under a sky on fire is a story of tenacity endurance love and friendship above all it is a story of bravery during world war 2 i felt like i was in the shelters with them suzanne kelman is a born storyteller goodreads reviewer

Under a Sky on Fire 2020-10-13 from john strausbaugh author of city of sedition and the village comes the definitive history of gotham during the world war ii era new york city during world war ii wasn t just a place of servicemen politicians heroes g i joes and rosie the riveters but also of quislings and saboteurs of nazi fascist and communist sympathizers of war protesters and conscientious objectors of gangsters and hookers and profiteers of latchkey kids and bobby soxers poets and painters atomic scientists and atomic spies while the war launched and leveled nations spurred economic growth and saw the rise and fall of global fascism new york city would eventually emerge as the new capital of the world from the gilded age to vj day an array of fascinating new yorkers rose to fame from mayor fiorello la guardia to franklin and eleanor roosevelt langston hughes to joe louis to robert moses and joe dimaggio in victory city john strausbaugh returns to tell the story of new york city s war years with the same richness depth and nuance he brought to his previous books city of sedition and the village providing readers with a groundbreaking new look into the greatest city on earth during the most transformative and costliest war in human history

Of Love and War 1920 the border states during the civil war have long been ignored or misunderstood in general histories this book corrects that oversight explaining how many border state residents used wartime realities to redefine their politics and culture as southern by studying the characteristics of those positioned along this fault line during the civil war the centrality of the war issue of slavery which border residents long eschewed as being divisive became apparent this book explains how the process of southernization occurred during and after the civil war a phenomenon largely unexplained by historians beyond the broader more traditional narrative of the clash of arms within these border slave states raged an inner civil war that shaped the military and political outcomes of the war as well as these states cultural landscapes author christopher phillips describes how the civil war experience in the border states served to form new loyalties and communities of identity that both deeply divided these states and distorted the meaning of the war for postwar generations

Annual Report of the Secretary of War 2012-12-06 during the cold war national discourse strove for unity through patriotism and political moderation to face a common enemy some authors and intellectuals supported that narrative by casting america s complicated history with race and poverty as moral rather than merely political problems southern literature cold war culture and the making of modern america examines southern literature and the culture within the united states from the period just before the cold war through the civil rights movement to show how this literature won a significant place in cold war culture and shaped the nation through the time of hillbilly elegy tackling cultural issues in the country through subtext and metaphor the works of authors like william faulkner lillian smith robert penn warren eudora welty ralph ellison alice walker and walker percy redefined south as much more than a geographical identity within an empire the south has become a racially coded sociopolitical and cultural identity associated with white populist conservatism that breaks geographical boundaries and as it has in the past continues to have a disproportionate influence on the nation s future and values

Sino-Soviet Dialogue on the Problem of War 1905 many years after the united states initiated a military response to the terrorist attacks of september 11 2001 the nation continues to prosecute an armed conflict against transnational terrorist groups today it remains just as vital to understand how the law of armed conflict applies to and regulates military operations executed within the scope of this armed conflict against transnational non state terrorist groups in the war on terror and the laws of war seven legal scholars each with experience as military officers focus on how to strike an effective balance between the necessity of using armed violence to subdue a threat to the nation with the humanitarian interest of mitigating the suffering inevitably associated with that use each chapter addresses a specific operational issue including the national right of self defense military targeting and the use of drones detention interrogation and trial by military commission of captured terrorist operatives while illustrating how the law of armed conflict influences resolution of that issue this second edition carries on the critical mission of continuing the ongoing dialogue about the law from an unabashedly military perspective bringing practical wisdom to the contentious topic of applying international law to the battlefield book jacket

Annual Reports of the War Department 1878 this book offers the first account of the foundation organisation and activities of the nato information service natis during the cold war during the cold war natis was pivotal in bringing national delegations together to discuss their security information and intelligence concerns and when appropriate or possible to devise a common response to the communist threat at the same time natis liaised with bodies like the atlantic institute and the bilderberg group in the attempt to promote a coordinated western response the nato archive material also shows that natis carried out its own information and intelligence activities propaganda and intelligence in the cold war provides the first sustained study of the history of natis throughout the cold war examining the role of natis as a forum for the exchange of ideas and techniques about how to develop and run propaganda programmes this book presents a sophisticated understanding of the extent to which national information agencies collaborated by focusing on the degree of cooperation on cultural and information activities this analysis of natis also contributes to the history of nato as a political alliance and reminds us that nato was and still is primarily a political organisation this book will be of much interest to students of nato cold war studies intelligence studies and ir in general

The Saturday Review of Politics, Literature, Science and Art 2004 unlike most books about the civil war which address individual battles or the war at the national level states at war a reference guide for michigan in the civil war chronicles the actions of an individual state government and its citizenry coping with the war and its ramifications from transformed race relations and gender roles to the suspension of habeas corpus to the deaths of over 10 000 michigan fathers husbands sons and brothers who had been in action the book compiles primary

source material including official reports legislative journals executive speeches special orders and regional newspapers to provide an exhaustive record of the important roles michigan and michiganders had in the war though not burdened by marching armies or military occupation like some states to the southeast michigan nevertheless had a fascinating civil war experience that was filled with acute economic anxieties intense political divisions and vital contributions on the battlefield this comprehensive volume will be the essential starting point for all future research into michigan s civil war era history

The Pious War 1982 during the second world war several independent business organizations in the us devoted considerable energy to formulating and advocating social and economic policy options for the us government for implementation after the war this planning community of far sighted businessmen joined with academics and government officials in a nationwide endeavor to ensure that the colossal levels of productivity achieved by the us during wartime continued into the peace at its core this effort was part of a wider struggle between liberals moderates and conservatives over determining the economic and social responsibilities of government in the new post war order in this book charlie whitham draws on an abundance of unpublished primary material from private and public archives that includes the minutes memoranda policy statements and research studies of the major post war business planning organisations on a wide range of topics including monetary policy demobilization labor policy international trade and foreign affairs this is the untold story of how the post war business planners of all hues helped shape the moderate consensus which prevailed after 1945 over a permanent but limited government responsibility for fiscal welfare and labor affairs advanced american interests overseas and established

The Home Front and War in the Twentieth Century 1986 this book features a comprehensive historical account of the first world war 1914 1918 based on official sources diplomatic and state papers contemporaneously known as the great war or the war to end all wars it led to the mobilization of more than 70 million military personnel including 60 million europeans making it one of the largest wars in history it is also one of the deadliest conflicts in history with an estimated nine million combatant deaths and 13 million civilian deaths as a direct result of the war while resulting genocides and the related 1918 spanish flu pandemic caused another 17 100 million deaths worldwide including an estimated 2 64 million spanish flu deaths in europe and as many as 675 000 spanish flu deaths in the united states contents indirect causes of the war political and diplomatic history of europe from 1866 to 1914 with a chapter on the historical development of japan the balkans direct causes of the war diplomatic papers relating to the origin of the war collated from the official documents great battles of the western armies naval operations the war on the eastern front the austro serbian campaign austro russian campaign russo german campaign turkey and the dardanelles russian and turkish campaign japan and the far east the war in africa the western front italy enters the war the dardanelles and turkey the war in africa war in arabia mesopotamia and egypt war in syria and egypt aggressive turkish campaign at dardanelles campaign in mesopotamia the united states and the belligerents austrian propaganda operations on the sea campaign on the eastern front the balkans campaign in mesopotamia and persia western front somme and verdun war in the air and on the sea the united states and germany the russian revolution eastern front campaigns in palestine arabia mesopotamia and africa the western front the italian campaign the great war s end victory on the sea the american army in france the peace conference at paris the story of canada in the great war

GAO Report on Nazi War Criminals in the United States 1906 of the icty

Report of the Philippine Commission to the Secretary of War ... 2012-11-20

MiG-17 and MiG-19 Units of the Vietnam War 1892 the american theater was not ignorant of the developments brought on by world war ii and actively addressed and debated timely controversial topics for the duration of the war including neutrality and isolationism racism and genocide and heroism and battle fatigue productions such as watch on the rhine 1941 the moon is down 1942 tomorrow the world 1943 and a bell for adano 1944 encouraged public discussion of the war s impact on daily life and raised critical questions about the conflict well before other forms of popular media american drama of the 1940s is frequently overlooked but the plays performed during this eventful decade provide a picture of the rich and complex experience of living in the united states during the war years mclaughlin and parry s work fills a significant gap in the history of theater and popular culture showing that american society was more divided and less idealistic than the received histories of the wwii home front and the entertainment industry recognize

The Review of Reviews 2015-06-02 a multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history a cornerstone work in abc clio s distinguished list of reference works on military history the encyclopedia of the korean war a political social and military history is a comprehensive resource on the confrontation that became the first shooting war of the cold war the first limited conflict of the atomic age and the war that led to a dramatic escalation of the national security state while foreshadowing u s involvement in vietnam encyclopedia of the korean war offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield but this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well incorporating a wealth of recent research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume

The Right Way to Lose a War 2011-01 historians of the american civil war have debated a wide range of questions raised by the war and its outcome none have been more vigorously argued as those surrounding its outcome one of the leading explanations for confederate defeat has been the argument that the civil war south lacked a national identity related to and supporting this argument is the contention that the civil war south failed to produce a distinct and vibrant literary culture these contentions have been challenged by a growing body of literature which argues that the civil war south did produce a sense of cultural and national identity this book adds to this counter current through an examination of the civil war experiences and writings of the antebellum south s leading literary figure surprisingly given william gilmore simms well known status prior to the war his life and work during the course of the war itself has been understudied this examination reveals the depth and extent to which simms not only supported the confederate war effort but how simms conceptualized and articulated a vision of confederate nationalism

□□□□□□□□□□ 2013-07-16 covering a range of topics settings and styles the book offers the first comprehensive study of short fiction from the first world war
