Malayalam Verbs

2019-09-23

this book using malayalam as a case study provides an in depth exploration of how inflectional suffixes should be separated from the verb and the implications this has for the syntax and semantics past work has proposed that malayalam lacks a tense phrase and tense morphology i e is tenseless however this book shows that malayalam behaves differently from other tenseless languages and that it does have tense morphology it also provides evidence that there is a tense phrase in the syntax in addition it examines what have been called the two imperfectives and argues that one is a type of progressive while the other is a pluractional marker and shows that malayalam lacks perfect morphology and a perfect phrase in minimally universal perfects with respect to finiteness among other things it argues that conjunctive participles are best analyzed as a type of absolutive adjunct and that athu gerunds involve nominalization above the tense phrase level this book will be a valuable resource for anyone interested in cross linguistic variation in tense aspect modality and or the morphosyntax or morphosemantics of dravidian languages

UPSC Mains MALAYALAM LITERATURE Question Papers (2010-2020)

2019-10-02

Dr George's comprehensive study is thus valuable not only for throwing a revealing light on the immediate subject but also for its relevance to the wider subject of western influence on India as a whole. It is only after inquiries have been conducted in depth like Dr George's covering the whole country and all the diverse aspects of the problem that anything like a definitive picture for all India can be expected to emerge. But even by itself Dr George's study has an importance transcending Malayalam language and literature or the life and culture of the people of Kerala.

Western Influence on Malayalam Language and Literature

1999

expressive morphology in the languages of south asia explores the intricacies of the grammars of several of the languages of the south asian subcontinent specifically the contributors to this volume examine grammatical resources for shaping elaborate rhyming and alliterative expressions conveying the emotions states conditions and perceptions of speakers these forms often referred to as expressives remain relatively undocumented until now it is clear from the evidence on contextualized language use that the grammatically artistic usage of these forms enriches and enlivens both every day and ritualized genres of discourse the contributors to this volume provide grammatical and sociolinguistic documentation through a typological introduction to the diversity of expressive forms in the languages of south asia this book is suitable for students and researchers in south asian languages and language families of the following dravidian indo aryan iranian sino tibetan and austro asiatic

Parametric Studies in Malayalam Syntax

2018-03-18

decentralization and education asian experiences and conceptual contributions examines the specific ways in which decentralization policies have affected the structure and delivery of education in eleven asian nations written by top scholars in the field the case studies provide detailed and rich empirical evidence documenting the tensions as well as synchronisms between the ideas that form the basis of decentralization policy and the contexts into which they are introduced the high quality of this collection of essays and the careful attention to local contexts for implementation will make this book a must read for academics policy planners practitioners and students of asia

Essential 25000 English-Malayalam Law Dictionary

2020-08-30

the global conference on artificial intelligence and applications gcaia 2021 provides a prominent venue for researchers engineers entrepreneurs and scholar students to share their research ideas in the area of ai academic researchers would reveal the results and conclusions of laboratory based investigations via the gcaia 21 platform which bridges the gap between academia industry and government ethics the gcaia 21 platform will also bring together regional and worldwide issues to explore current advancements in contemporary computation intelligence this conference proceedings volume contains the written versions of most of the contributions presented during the conference of gcaia 2021 the conference has provided an excellent chance for researchers from diverse locations to present and debate their work in the field of artificial intelligence and its applications it includes a selection of 62 papers all accepted papers were subjected to strict peer review by 2 4 expert referees the papers have been selected for this volume because of their quality and their relevance to the theme of the conference

Expressive Morphology in the Languages of South Asia

2007-03-23

the researchers in the field of theoretical and theoretically inclined descriptive linguistics have for a long time felt a need for detailed and clearly presented linguistic treatments of various syntactic phenomena in south asian languages clause structure in south asian languages provides a comprehensive overview and covers major aspects of clause structure in a variety of south asian languages provides detailed analyses of several aspects of phrase structure of many prominent south asian languages gives theoretically up to date treatment of several important issues in south asian syntax and semantics contains papers by some of the most prominent linguists working on south asian languages

Educational Decentralization

2022-04-21

the south asian languages mainly indo aryan and dravidian have become a focus of interest in the formal study of language as a natural consequence of the research program of the principle and parameters approach and an enforced interest in exploring the parametrical space of human language the contributions to the present volume combine theoretical reasoning in syntax and phonology with a comparative research agenda in which south asian languages figure prominently the topics range from issues of clause structure serial verb constructions cleft and question formation to the question of what the proper syntactic

format of modification should be issues of binding theory and raising and issues of complementation the clausal periphery and clausal typing the collection of articles concludes with two chapters on dravidian and comparative phonology and a chapter on the shaping of phonological awareness by different writing systems the authors and the editors devote this piece of work to professor k a jayaseelan one of present day india s most influential linguists

Applications of Machine intelligence in Engineering

1862

on the life and works of en vi kr ṣṇavāriyar b 1917 malayalam author

1862

the phenomenon of clefts is beyond doubt a golden oldie it has captivated linguists of different disciplines for decades the fascination arises from the unique syntax of clefts in interaction with their pragmatic and semantic interpretation clefts structure sentences according to the information state of the constituents contained in them they are special as they exhibit a rather uncommon syntactic form to achieve the separation of the prominent part either focal or topical from the background of the clause despite the long lasting interest in clefts linguists have not yet come to an agreement on many basic questions the articles contained in this volume address these issues from new theoretical and empirical perspectives based on data from about 50 languages from all over the world this volume presents new arguments for the proper derivation of clefts and contributes to the ongoing debate on the information structural impact of cleft structures theoretically it combines modern syntactic theorizing with investigations at the interface between grammar and information structure

Catalogue of Syriac Manuscripts in the British Museum, Acquired Since the Year 1838

1862

the eighteenth round table of south asian language analysis sala was organised by the centre of linguistics and english school of languages jawaharlal nehru university new delhi india january 4 6 1997 the conference was attended by scholars from all over the world and about 150 papers were presented in 20 parallel sessions and plenary sessions this volume is a

representative sample of the breadth and quality of research that is being carried out in south asian linguistics today

A Catalogue Raisonné of Oriental Manuscripts in the Government Library

1857

this volume comprises twenty eight papers selected from the widely known work of k a jayaseelan and r amritavalli on dravidian collectively these papers cover the entire area of dravidian syntax they range from broad questions such as sentence structure and word order to more particular questions such as the morphological basis of anaphora the genesis of lexical categories the morpho syntax of quantifiers and the syntax and semantics of questions important universalist claims are embedded in these essays for this reason this volume will be of interest also to a student of the general theory of syntax no future discussion of dravidian or south asian languages is possible without taking into account the insightful analyses set forth in these pages
