mankind lives in an illusion of freedom unaware of their true origins and purpose we didn't come directly from apes as darwinians claim rather mankind is the seventh version of a hybridization experiment run by extraterrestrials to create a slave warrior race that

can also function as a source of genetic material to advance our creators most of these races look humanoid and were once the gods of our civilization who descended from the skies in their fiery chariots and guided humanity's first civilizations however over time man was made to forget his origins as it was deemed that him realizing that he wasn't free would interfere with the program a few millennia pass and our cities are buzzing with technology that came out of nowhere shortly after ufo sightings began since the 1950s people have reported lights in the sky alien encounters and reports of government run secret space programs using reverse engineered extraterrestrial technology in the meantime our governments continue to lie about ufos and extraterrestrials stating that they lack any tangible evidence despite the incredible number of eyewitnesses coming forward whose testimonies are detailed and interconnecting unbeknownst to the public there is a plan in place to wipe out the majority of the world population and replace them with grey human hybrids that were created with reproductive material acquired through mass human abductions conducted by grey aliens this plan will take place after a solar flash event will raise the background frequency of our planet and induce a pole shift that will trigger floods and other catastrophes the shift in frequency will result in the failure of all the electronics we have come to depend on and it will render our race helpless in this period of great human suffering the gods will descend once again bearing gifts that will pacify our situation provided we allow them to administer us the question is will mankind wake up in time to avert their fate this book is tailored to provide the serious investigator a framework of understanding on the et and paranormal phenomenon
