finalist for the 2020 willa literary award creative nonfiction inspired by her first breathtaking trip in the grand canyon harriet hunt burgess dedicated her life to saving land for future generations beginning in the 1970s she persevered through four decades overcoming daunting obstacles and taking extraordinary risks to conserve hundreds of thousands of acres of land in the american west without burgess iconic and irreplaceable landscapes like the lake tahoe region and the california coast would be much different today as harriet burgess once explained the land we save is our legacy it s what we give to our children the grand canyon was the catalyst for harriet s conservation mission and the spark for grand canyon to hearst ranch author elizabeth austin has interwoven her own exhilarating and life changing dory trip through the depths of the grand canyon with the compelling story of harriet s early life and five of her most significant conservation achievements as founder president of the american land conservancy popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle are there still some people who think they have to leave their best friend behind when they go on vacation show them this book new updated 5th edition of this popular travel book gives an excellent selection of resort type accommodations to which you can take your dog
