she can heal her own wounds she can nail a monster to a wall but there s one danger evangeline stone never saw coming been there done that evy stone is a former dreg bounty hunter who died and came back to life with some extraordinary powers now all but five people in the world think she is dead again this time for good immolated in a factory fire set specifically for her evy and wyatt her partner lover friend can no longer trust their former allies or even the highest echelons of the triads the army of fighters holding back from an unsuspecting public a tide of quarreling otherworldly creatures they can trust only each other because when the triads raided a macabre monster filled lab of science experiments and hauled away the remnants they failed to capture their creator a brilliant vampire obsessed scientist with a wealth of powerful anti dreg weaponry to trade for what he desires most of all evy stone alive and well and the key to his ultimate experiment in mad science monster hunter evangeline stone woke up on the wrong side of dead this morning and now there s hell to pay barely recovered from her extended torture at the hands of mad scientist walter thackery evy can use a break what she gets instead is a war as the battered triads that keep dreg city safe find themselves under attack by half blood vampires who have somehow retained their reason making them twice as lethal worse the halfies are joined by a breed of were creature long believed extinct back and more dangerous than ever meanwhile evy s attempts at reconciliation with the man she loves take a hit after wyatt is viciously assaulted an attack traced to thackery who has not given up his quest to exterminate all vampires even if he has to destroy dreg city to do it with wyatt s time running out another threat emerges from the shadows and a staggering betrayal shatters the fragile alliance between the triads vampires and shapeshifters turning evy s world upside down forever kelly meding s war ravaged los angeles is ground zero for the ultimate meta human showdown in this sexy action packed new series fifteen years ago teresa trance west was a skilled telepath and a proud morgue in a stranger s body with no memory of who she is and how she got there her troubles are only just beginning before that night she and the two other members of her triad were the city s star bounty hunters mercilessly cleansing the city of the murderous creatures living in the shadows from vampires to shape shifters to trolls then something terrible happened that not only cost all three of them their lives but also convinced the city s other hunters that evy was a traitor and she can t even remember what it was now she s a fugitive piecing together her memory trying to deal some serious justice and discovering that she has only three days to solve her own murder before the reincarnation spell wears off because in three days evy will die again but this time there s no second chance evangeline stone a rogue bounty hunter never asked for a world divided between darkness and light or the power to die and live again in someone else s borrowed body after a murder plot meant to take her out leaves an entire race of shapeshifters nearly extinct evy is gnawed by guilt so when one of the few survivors of the slaughter enlists her aid she feels duty bound to help even though protecting a frail pregnant shifter is the last thing evy needs especially with the world going to hell around her amid weres halfies gremlins vamps and increasingly outgunned humans a war for supremacy is brewing with shifters demanding justice her superiors desperate to control her and an assassin on her trail evy discovers a horrifying conspiracy and she may be the only person in the
