The Information Economy: National income, workforce, and input-output accounts 1977 in this study of the life and work of saint nazaire s shipbuilding workers in the 30 years before world war i schuster shows that the consequences of industrial production for workers differed sharply according to their resources and experiences she details the competing identities and divergent values maintained by shipbuilding

workers demonstrating that they were fostered by the interaction between state programs industrial production and the traditions pursued in the local realm third republic economic policies for shipbuilding promoted unemployment and worker dependence on state officials over union leaders and the uneven application of capitalist methods of production meant multiple workplace experiences that further undercut association a workforce composed of industrial workers and agricultural producers brought markedly different priorities to the workplace urban dwelling industrial workers proved dependent on shipbuilding while workers commuting from la grande bri d ere a nearby marshland were property owning producers mostly peat cutters with traditions of self government and a commanding community identity they turned to ship production precisely to maintain rural settlement and agricultural production these divergent values and responses to industrial work in conjunction with multiple barriers to association generated separate and even contrary labor concerns and protests

NASA Workforce Flexibility Act of 2003 2003 this comprehensive resource illuminates the past present and future of generalist medicine generalist medicine and u s health policy contains new contributions from preeminent authorities and a selection of groundbreaking articles and reports from the past forty years generalist medicine and u s health policy covers a broad range of topics that examines the current challenges of primary care and generalist medicine offers a chronological history of the growth of generalist medicine since the 1950s reviews the models of care on which generalist medicine is based analyzes the growth of three disciplines³
4general internists family physicians and pediatricians looks at the supply and distribution of generalist physicians discusses the education and training of
