suddenly easily available which brings an unexpected problem in this unique volume a number of scholars spanning diverse areas and backgrounds offer fresh insight into how perceived concepts of horror and dark subject matter influence cultures and societies around the world the contributions here explore how topics considered disturbing mysterious or fascinating are found not only in works of fiction and entertainment but also in the cultural fabrics belief systems artistic creations and even governmental structures of societies topics discussed in this book include witchcraft voodoo zombies spiritualism serial killers monsters cemeteries pop culture entertainment and the sublime in transcendental experiences as the academic study of horror becomes more mainstream collections such as this are instrumental in realizing just how much it impacts our lives past present future and imaginary thus this volume of intriguing and profound topics offers scholars students and lovers of learning a much needed fresh and innovative intellectual exploration of the horror genre and the cultural fascination with the mysterious unknown in this ground breaking study sabine binder analyses the complex ways in which female crime fictional victims detectives and perpetrators in south african crime fiction resonate with widespread and persistent real crimes against women in post apartheid south africa drawing on a wide range of crime novels written over the last decade binder emphasises the genre s feminist potential and critically maps its political work at the intersection of gender and race her study challenges the perception of crime fiction as a trivial genre and shows how in south africa at least it provides a vibrant platform for social cultural and ethical debates exposing violence misogyny and racism and shedding light on the problematics of law and justice for women faced with crime maggie crozat has the halloween heebie jeebies in usa today bestselling and agatha
