20. The twentieth question is about the first bus bodywork. The answer is the bodywork made of metal.

21. The twenty-first question is about the first bus chassis. The answer is the chassis made of metal.

22. The twenty-second question is about the first bus wheels. The answer is the wheels made of metal.

23. The twenty-third question is about the first bus seats. The answer is the seats made of metal.

24. The twenty-fourth question is about the first bus doors. The answer is the doors made of metal.

25. The twenty-fifth question is about the first bus windows. The answer is the windows made of metal.

26. The twenty-sixth question is about the first bus lights. The answer is the lights made of metal.

27. The twenty-seventh question is about the first bus horns. The answer is the horns made of metal.

28. The twenty-eighth question is about the first bus brakes. The answer is the brakes made of metal.

29. The twenty-ninth question is about the first bus steering. The answer is the steering made of metal.

30. The thirtieth question is about the first bus suspension. The answer is the suspension made of metal.

31. The thirty-first question is about the first bus exhaust. The answer is the exhaust made of metal.

32. The thirty-second question is about the first bus fuel system. The answer is the fuel system made of metal.

33. The thirty-third question is about the first bus electrical system. The answer is the electrical system made of metal.

34. The thirty-fourth question is about the first bus bodywork. The answer is the bodywork made of metal.

35. The thirty-fifth question is about the first bus chassis. The answer is the chassis made of metal.

36. The thirty-sixth question is about the first bus wheels. The answer is the wheels made of metal.

37. The thirty-seventh question is about the first bus seats. The answer is the seats made of metal.

38. The thirty-eighth question is about the first bus doors. The answer is the doors made of metal.

39. The thirty-ninth question is about the first bus windows. The answer is the windows made of metal.

40. The fortieth question is about the first bus lights. The answer is the lights made of metal.

41. The forty-first question is about the first bus horns. The answer is the horns made of metal.

42. The forty-second question is about the first bus brakes. The answer is the brakes made of metal.

43. The forty-third question is about the first bus steering. The answer is the steering made of metal.

44. The forty-fourth question is about the first bus suspension. The answer is the suspension made of metal.

45. The forty-fifth question is about the first bus exhaust. The answer is the exhaust made of metal.

46. The forty-sixth question is about the first bus fuel system. The answer is the fuel system made of metal.

47. The forty-seventh question is about the first bus electrical system. The answer is the electrical system made of metal.

48. The forty-eighth question is about the first bus bodywork. The answer is the bodywork made of metal.

49. The forty-ninth question is about the first bus chassis. The answer is the chassis made of metal.

50. The fiftieth question is about the first bus wheels. The answer is the wheels made of metal.

51. The fifty-first question is about the first bus seats. The answer is the seats made of metal.

52. The fifty-second question is about the first bus doors. The answer is the doors made of metal.

53. The fifty-third question is about the first bus windows. The answer is the windows made of metal.

54. The fifty-fourth question is about the first bus lights. The answer is the lights made of metal.

55. The fifty-fifth question is about the first bus horns. The answer is the horns made of metal.

56. The fifty-sixth question is about the first bus brakes. The answer is the brakes made of metal.

57. The fifty-seventh question is about the first bus steering. The answer is the steering made of metal.

58. The fifty-eighth question is about the first bus suspension. The answer is the suspension made of metal.

59. The fifty-ninth question is about the first bus exhaust. The answer is the exhaust made of metal.

60. The sixtieth question is about the first bus fuel system. The answer is the fuel system made of metal.

61. The sixty-first question is about the first bus electrical system. The answer is the electrical system made of metal.

62. The sixty-second question is about the first bus bodywork. The answer is the bodywork made of metal.

63. The sixty-third question is about the first bus chassis. The answer is the chassis made of metal.

64. The sixty-fourth question is about the first bus wheels. The answer is the wheels made of metal.

65. The sixty-fifth question is about the first bus seats. The answer is the seats made of metal.

66. The sixty-sixth question is about the first bus doors. The answer is the doors made of metal.

67. The sixty-seventh question is about the first bus windows. The answer is the windows made of metal.

68. The sixty-eighth question is about the first bus lights. The answer is the lights made of metal.

69. The sixty-ninth question is about the first bus horns. The answer is the horns made of metal.

70. The seventieth question is about the first bus brakes. The answer is the brakes made of metal.

71. The seventy-first question is about the first bus steering. The answer is the steering made of metal.

72. The seventy-second question is about the first bus suspension. The answer is the suspension made of metal.

73. The seventy-third question is about the first bus exhaust. The answer is the exhaust made of metal.

74. The seventy-fourth question is about the first bus fuel system. The answer is the fuel system made of metal.

75. The seventy-fifth question is about the first bus electrical system. The answer is the electrical system made of metal.

76. The seventy-sixth question is about the first bus bodywork. The answer is the bodywork made of metal.

77. The seventy-seventh question is about the first bus chassis. The answer is the chassis made of metal.

78. The seventy-eighth question is about the first bus wheels. The answer is the wheels made of metal.

79. The seventy-ninth question is about the first bus seats. The answer is the seats made of metal.

80. The eightieth question is about the first bus doors. The answer is the doors made of metal.

81. The eighty-first question is about the first bus windows. The answer is the windows made of metal.

82. The eighty-second question is about the first bus lights. The answer is the lights made of metal.

83. The eighty-third question is about the first bus horns. The answer is the horns made of metal.

84. The eighty-fourth question is about the first bus brakes. The answer is the brakes made of metal.

85. The eighty-fifth question is about the first bus steering. The answer is the steering made of metal.

86. The eighty-sixth question is about the first bus suspension. The answer is the suspension made of metal.

87. The eighty-seventh question is about the first bus exhaust. The answer is the exhaust made of metal.

88. The eighty-eighth question is about the first bus fuel system. The answer is the fuel system made of metal.

89. The eighty-ninth question is about the first bus electrical system. The answer is the electrical system made of metal.

90. The ninetieth question is about the first bus bodywork. The answer is the bodywork made of metal.

91. The ninety-first question is about the first bus chassis. The answer is the chassis made of metal.

92. The ninety-second question is about the first bus wheels. The answer is the wheels made of metal.

93. The ninety-third question is about the first bus seats. The answer is the seats made of metal.

94. The ninety-fourth question is about the first bus doors. The answer is the doors made of metal.

95. The ninety-fifth question is about the first bus windows. The answer is the windows made of metal.

96. The ninety-sixth question is about the first bus lights. The answer is the lights made of metal.

97. The ninety-seventh question is about the first bus horns. The answer is the horns made of metal.
