what happened to black haze r manga reddit May 05 2023

updated 10 1 18 the author has more concretely said that black haze is on an indefinite hiatus this means black haze will either remain unfinished or that it will only be finished far off in the future it s sad news but black haze is still a wonderful comic with characters that we love

shounen webtoon black haze by dydyddl7 page 2 Apr 04 2023

oh black haze now i understand joke aside i love everything about this series although you must accept that everything is not always to your liking personally i dislike the current flashback about children in new chapter 46 still available only in raw but to get the whole picture also this would be needed at some point i believe
