George R.R. Martin and the Fantasy Form

2019-03-13

using the frameworks of literary theory relevant to modern fantasy dr joseph young undertakes a compelling examination of george r r martin s a song of ice and fire and his employment of the structural demands and thematic aptitudes of his chosen genre examining martin s approaches to his obligations and licenses as a fantasist young persuasively argues that the power of a song of ice and fire derives not from martin s abandonment of genre convention as is sometimes asserted but from his ability to employ those conventions in ways that further rather than constrain his authorial program written in clear and accessible prose george r r martin and the fantasy form is a timely work which encourages a reassessment of martin and his approach to his most famous novels this is an important work for both students and critics of martin s work and argues for a reading of a song of ice and fire as a wide ranging example of what modern fantasy can accomplish when employed with an eye to its capabilities and purpose

Fans

2023-05-11

a celebration of human idiosyncrasy and of our talent for building shared meaning and solidarity out of the strangest material tfs fans takes the reader on a journey through a constellation of fandoms and along the way demonstrates some fundamental truths about the human condition fascinating and thought provoking fans is a story of communities of what happens to us when we interact with people who share our passions the human brain is wired to reach out and while our groupish tendencies can bring much strife religious intolerance racism war etc they are also the source of some of our greatest satisfactions fandoms offer much of the pleasure of tribalism with little of the harm a feeling of belonging and of shared culture a sense of meaning and purpose improved mental well being reassurance that our most outlandish convictions will be taken seriously and the freedom to try to emulate and dress like our hero but acclaimed science writer michael bond shows that despite these benefits the world of fandoms is not without its dark underside from the copycat effect fuelling mass shootings to the delusions that can accompany the parasocial relationships that fans feel they have with their heroes in fans michael bond draws on the work of social psychologists and

anthropologists to understand how people behave in groups and why such groups have such a profound effect on human culture

Memory and Medievalism in George RR Martin and Game of Thrones

2022-08-11

this book explores the connections between history and fantasy in george rr martin s immensely popular book series a song of ice and fire and the international tv sensation hbo tv s game of thrones acknowledging the final season s foregrounding of the cultural centrality of history truth and memory in the confrontation between bran and the night king the volume takes full account of the tv show s conclusion in its multiple readings across from medieval history its institutions and practices as depicted in the books to the show s own particular medievalism the topics under discussion include the treatment of the historical phenomena of chivalry tournaments dreams models of education and the supernatural and the different ways in which these are mediated in martin s books and the tv show the collection also includes a new study of one of martin s key sources maurice druon s les rois maudits in depth explorations of major characters in their medieval contexts and
