The Raising of a President 2005-03-15

god bless my mother all i am or ever hope to be i owe to her abraham lincoln what are the family circumstances that have created our presidents how did their upbringing shape their future and ours new york times bestselling author doug wead answers these questions in one of the most comprehensive studies of presidential families to date when one thinks about the leadership qualities of george washington and theodore roosevelt or the intellectual prowess of john adams and abraham lincoln it is hard to imagine them as children it is even more difficult to envision the parents of our leaders especially the larger than life idols of our political past our greatest presidents have entered the oval office armed with overwhelming ambition intellect and political savvy but were these characteristics evident in childhood the raising of a president is a groundbreaking look at the parents of the american presidents full of never before seen facts and anecdotes as well as psychological profiles based on wead's findings he analyzes the types of families into which our presidents were born and sheds a fascinating light on how their destinies were shaped during childhood using countless presidential correspondences and letters as well as notes from hours of his own private conversations and interviews with six presidents and first ladies wead focuses specifically on the early life of our first president george washington john adams john quincy adams and the making of our nation's first political empire the humble beginnings of our greatest president abraham lincoln the privileged upbringing of franklin delano roosevelt the ambitious rise of john fitzgerald kennedy and the quiet dynasty led by george h w bush and his son george w bush throughout the raising of a president readers will find that the circumstances and events that would destroy most children were often the very things that sparked greatness in our nation's future leaders these are the stories of the

presidents parents but in a truer sense they are the stories of the presidents themselves from a perspective that is long overdue

The Faiths of the Postwar Presidents 2012

looks at the role of faith in the lives of the twelve presidents who have served since the end of world war ii examining not only the beliefs professed by each president but also the variety of possible influences on their religious faith

Gerald R. Ford 1977

the 1960 presidential election won ultimately by john f kennedy was one of the closest and most contentious in american history the country had never elected a roman catholic president and the last time a catholic had been nominated new york governor al smith in 1928 he was routed in the general election from the outset kennedy saw the religion issue as the single most important obstacle on his road to the white house he was acutely aware of and deeply frustrated by the possibility that his personal religious beliefs could keep him out of the white house in the making of a catholic president shaun casey tells the fascinating story of how the kennedy campaign transformed the religion question from a liability into an asset making him the first and still only catholic president drawing on extensive archival research including many never before seen documents casey takes us inside the campaign to show kennedy s chief advisors ted soresen john kenneth galbraith archibald cox grappling with the staunch opposition to the candidate s catholicism casey also reveals for the first time many of the nixon campaign s efforts to tap in to anti catholic sentiment with the aid of billy graham and the national association of evangelicals among others the alliance between conservative protestants and the nixon campaign he shows laid the groundwork for the rise of the religious right this book will shed light on one of the most talked about elections in american history as well as on the vexed relationship between religion and politics more generally with clear relevance to our own political situation where politicians religious beliefs seem more important and more volatile than ever the making of a catholic president offers rare insights into one of the most extraordinary presidential campaigns in american history

Public Papers of the Presidents of the United States: Gerald R. Ford, 1976-1977 1979-01-01

a lively account of the outspoken first lady during her white house years showing how the silver fox used her rich experience in politics to master the public relations side of first ladyship with as much skill as any white house spouse

Read On...Biography 2012-03-07

to mark john f kennedy s centennial celebrate the life and legacy of the 35th president of the united states in 1964 jacqueline kennedy recorded seven historic interviews about her life with john f kennedy now for the first time they can be read in this deluxe illustrated ebook shortly after president john f kennedy s assassination with a nation deep in mourning and the world looking on in stunned disbelief jacqueline kennedy found the strength to set aside her own personal grief for the sake of posterity and begin the task of documenting and preserving her husband s legacy in january of 1964 she and robert f kennedy approved a planned oral history project that would capture their first hand accounts of the late president as well as the recollections of those closest to him throughout his extraordinary political career for the rest of her life the famously private jacqueline kennedy steadfastly refused to discuss her memories of those years but beginning that march she fulfilled her obligation to future generations of americans by sitting down with historian arthur schlesinger jr and recording an astonishingly detailed and unvarnished account of her experiences and impressions as the wife and confidante of john f kennedy the tapes of those sessions were then sealed and later deposited in the john f kennedy presidential library and museum upon its completion in accordance with mrs kennedy s wishes the resulting eight and a half hours of material comprises a unique and compelling record of a tumultuous era providing fresh insights on the many significant people and events that shaped jfk s presidency but also shedding new light on the man behind the momentous decisions here are jfk s unscripted opinions on a host of revealing subjects including his thoughts and feelings about his brothers robert and ted and his take on world leaders past and present giving us perhaps the most informed genuine and immediate portrait of john fitzgerald kennedy we shall ever have mrs kennedy s urbane perspective her candor and her flashes of wit also give us our clearest glimpse into the active mind of a remarkable first lady in conjunction with the fiftieth anniversary of president kennedy s inauguration caroline kennedy and the kennedy family are now releasing these beautifully restored recordings on cds with accompanying transcripts introduced and annotated by renowned presidential historian michael beschloss these interviews will add an exciting new dimension to our understanding and appreciation of president kennedy and his time and make the past come alive through the words and voice of an eloquent eyewitness to history

Barbara Bush 2008

when president warren g harding fell ill in 1923 steve early a reporter for the associated press became skeptical of the innocuous bulletins being issued by the white house he remained at the hotel where the president was staying and when florence harding called out for a doctor early scrambled down a fire escape to file the story his associated press report was six minutes ahead of others with the news of harding s death a decade later when franklin d roosevelt entered the white house steve early became the first person to hold the title of presidential press secretary mike mcurry jody powell and marlin fitzwater have all become familiar names but how has the role of the white house press secretary changed over the years we see these spokespeople at white house briefings hear them quoted by reporters but what do they really do whom do they really serve the president or the press in his latest book former associated press journalist and white house reporter w dale nelson provides an insightful look at what has gone on behind the scenes of the white house press podium from the 1890s to the clinton administration nelson draws on interviews with former press secretaries press office records and his own experience as a white house reporter to trace the history of the position from its early informal days to its present seminal role in the clinton administration

Jacqueline Kennedy 2011-12-27

a veteran white house reporter reveals our 37th president was even more sinister and haunted than we knew richard nixon left the white house in 1974 as our most disgraced president but the american people never knew the full extent of his demons deceptions paranoia prejudices hatreds and chicanery calling on his work in covering nixon scores of interviews with members of congress white house staffers and others close to our nation s thirty seventh president and invaluable newly declassified documents and recordings veteran journalist don fulsom sheds new light on tricky dick the author s revelations include that the future president sabotaged the 1968 peace talks for political gain by the time nixon became president in 1969 he had linked to the mob for more than two decades and as president had a close connection with new orleans boss carlos marcello the most powerful mafioso in the nation the president had a drinking problem and top aides referred to him as our drunk nixon had a misogynist streak and was abusive toward first lady pat nixon the intimate and possibly homosexual nature of nixon s relationship with confidante charles bebe rebozo a banker with mob ties testimony alleging that the president had ordered the killing of white house reporter jack anderson fulsom s examination of these and other startling aspects of nixon s personal and political dimensions paint an unflinching portrait of a leader who was once the most powerful man in the world nixon s darkest secrets provides a chilling final chapter in literature on our most troubled president

Nixon's Darkest Secrets 2012-01-31

little has been published about press organizations and even less about women s press organizations this book is the first to document the history of women s press organizations in addition to rich historical accounts of some of these organizations it also provides a picture of many of the women journalists involved in these press organizations many of whom were leaders both in journalism and in the social movements of their time this book is a description and analysis of forty women s press organizations that have been key to the development of women writers of the press since the first established organization in 1881 each entry describes the challenges faced by women that brought about the establishment of the organization at that particular time and place some of the women who played key roles in the group s leadership the group s major activities and programs and its contributions to women of the press the main purpose of these organizations was to provide women with a place where they could discuss professional issues and career strategies at a time when they were largely excluded from or marginalized by male dominated media institutions however many also reflected the interests of some of the social and political reform movements associated with the women s movements of the 19th and 20th centuries including the woman suffrage peace and era movements although some of the organizations described here no longer exist new ones have taken on the challenge in a profession where women still do not have equity

First Families 2009-02-05

jimmy carter participated in more than two hundred interviews between 1976 and 1996 in the twenty three conversations presented here highly regarded interviewers lead president carter to clarify his public stands and private beliefs the dialogue created through these encounters demonstrates the growth of a principled man encapsulating the major debates and concerns of the last quarter of the american century

Women's Press Organizations, 1881-1999 2000-06-30

based on nixon s overlooked recordings new york times bestselling author john w dean connects the dots between what we ve come to believe about watergate and what actually happened watergate forever changed american politics and in light of the

revelations about the nsa's widespread surveillance program the scandal has taken on new significance yet remarkably four decades after nixon was forced to resign no one has told the full story of his involvement in watergate in the nixon defense former white house counsel john w dean one of the last major surviving figures of watergate draws on his own transcripts of almost a thousand conversations a wealth of nixon's secretly recorded information and more than 150 000 pages of documents in the national archives and the nixon library to provide the definitive answer to the question what did president nixon know and when did he know it through narrative and contemporaneous dialogue dean connects dots that have never been connected including revealing how and why the watergate break in occurred what was on the mysterious 18 1 2 minute gap in nixon's recorded conversations and more in what will stand as the most authoritative account of one of america's worst political scandals the nixon defense shows how the disastrous mistakes of watergate could have been avoided and offers a cautionary tale for our own time

Conversations with Carter 1998

inventing a voice is a comprehensive work on the lives and communication of twentieth century first ladies using a rhetorical framework the contributors look at the speaking writing media coverage and interaction and visual rhetoric of american first ladies from ida saxton mckinley to laura bush the women's rhetorical devices varied some practiced a rhetoric without words while others issued press releases gave speeches and met with various constituencies all used interpersonal or social rhetoric to support their husbands relationships with world leaders party officials boosters and the public featuring an extensive introduction and chapter on the first lady as a site of american womanhood wertheimer has gathered a collection that includes the post white house musings of many first ladies capturing their reflections on public expectations and perceived restrictions on their communication

press freedom author journalist and longtime member gil klein tells just a few of the tales that stand out in history of the club which cbs commentator eric sevard once called the only hallowed place i know of that is absolutely bursting with irreverence back cover

Among Friends of LBJ 1989

the last untold story of watergate by the fbi director who maintained his silence for more than thirty years l patrick gray iii was the man caught in the middle of the watergate scandal he was a lifelong republican but richard nixon considered him a threat closing in on the conspiracy gray became the target of one of watergate's most shocking acts nixon's smoking gun attempt to have the cia stop the fbi investigation and when the u s senate focused its attention on gray in april 1973 the white house threw him to the wolves john ehrlichman famously advised that he be left to twist slowly slowly in the wind this book is gray's firsthand account of what really happened during his crucial year as acting director of the fbi based on a never before published first person account and previously secret documents he reveals the witches brew of intrigue and perfidy that permeated washington and he tells the unknown story of his complex relationship with his top deputy mark felt raising disturbing questions about the methods and motives of the man purported to be deep throat gray's book was completed and expanded by his son the journalist ed gray who has supplemented the text with revelatory excerpts from documents tape transcripts and third party accounts every other major figure has told his story and now patrick gray's unique inside account will change the way we think about the crisis that destroyed the nixon presidency

The Revolution of Robert Kennedy 2017-06-06

from new york times bestselling biographer bob spitz a full and rich biography of an epic american life capturing what made ronald reagan both so beloved and so transformational more than five years in the making based on hundreds of interviews and access to previously unavailable documents and infused with irresistible storytelling charm bob spitz's reagan stands fair to be the first truly post partisan biography of our 40th president and thus a balm for our own bitterly divided times it is the quintessential american triumph brought to life with cinematic vividness a young man is born into poverty and raised in a series of flyspeck towns in the midwest by a pious mother and a reckless alcoholic largely absent father severely near sighted the boy lives in his own world a world of the popular books of the day and finds his first brush with popularity even fame as a young lifeguard thanks to his first great love he imagines a way out and makes the extraordinary leap to go to college a modest school by national standards but an audacious presumption in the context of his family's station from there the path is only very dimly lit but it leads him thanks to his great charm and greater luck to a solid career as a radio sportscaster and then astonishingly fatefully to hollywood and the rest as they say is history bob spitz's reagan is an absorbing richly detailed

2023-02-27

12/16

nigeria immigration service nis likely questions answers

even revelatory chronicle of the full arc of ronald reagan s epic life giving full weight to the hollywood years his transition to politics and rocky but ultimately successful run as california governor and ultimately of course his iconic presidency filled with storm and stress but climaxing with his peace talks with the soviet union that would serve as his greatest legacy it is filled with fresh assessments and shrewd judgments and doesn t flinch from a full reckoning with the man s strengths and limitations this is no hagiography reagan was never a brilliant student of anything and his disinterest in hard nosed political scheming while admirable meant that this side of things was left to the other people in his orbit not least his wife nancy sometimes this delegation could lead to chaos and worse but what emerges as a powerful signal through all the noise is an honest inherent sweetness a gentleness of nature and willingness to see the good in people and in this country that proved to be a tonic for america in his time and still is in ours it was famously said that fdr had a first rate disposition and a second rate intellect perhaps it is no accident that only fdr had as high a public approval rating leaving office as reagan did or that in the years since reagan has been closing in on fdr on rankings of presidential greatness written with love and irony which in a great biography is arguably the same thing bob spitz s masterpiece will give no comfort to partisans at either extreme for the rest of us it is cause for celebration
