And Finally 2023-01-17

from the bestselling neurosurgeon and author of do no harm comes henry marsh's and finally an unflinching and deeply personal exploration of death life and neuroscience as a retired brain surgeon henry marsh thought he understood illness but he was unprepared for the impact of his diagnosis of advanced cancer and finally explores what happens when someone who has spent a lifetime on the frontline of life and death finds himself contemplating what might be his own death sentence as he navigates the bewildering transition from doctor to patient he is haunted by past failures and projects yet to be completed and frustrated by the inconveniences of illness and old age but he is also more entranced than ever by the mysteries of science and the brain the beauty of the natural world and his love for his family elegiac candid luminous and poignant and finally is ultimately not so much a book about death but a book about life and what matters in the end

A Joosr Guide to ... Do No Harm by Henry Marsh 2015

do no harm by henry marsh summary analysis preview do no harm is neurosurgeon henry marsh's memoir with a particular focus on his mistakes and regrets marsh admits that he grew up privileged he began his college career studying english but quit school due to an unrequited love he took a job working in a mining town hospital an experience that inspired him to become a surgeon he returned to oxford to finish his degree and then attended the royal free medical school in london the only medical school at the time that did not require him to have any scientific qualifications as a medical student marsh worked as a nursing assistant on the psycho geriatric ward of a long term psychiatric hospital there he saw many patients who had been given lobectomies at the hospital where he would later train lobectomies were an accepted method of treating severe mental disorders but would often leave the patient worse off than they were before please note this is a summary and analysis of the book and not the original book inside this instaread summary analysis of do no harm summary of book introduction to the important people in the book analysis of the themes and author's style

Do No Harm by Henry Marsh | Summary & Analysis 2015

do no harm is a book by henry marsh and he reflects on his career mistakes and things he wished he would have done differently it is a retrospective look on his life and career it deals with death or disability to some of his patients despite his best intentions at making them better and taking away their ailments and pain these unwanted outcomes came from a variety of reasons marsh was not affected any differently by a patient's death regardless of whether it came from a direct fault of marsh's or by other means regardless of his decision of treatment for a patient either one type of treatment versus another or no treatment at all marsh took the responsibility on himself personally rather than putting it on fellow staff or the hospital marsh developed a trust with his patients which allowed him to better treat them or formulate a plan by which to treat them

A Trail of Dreaming 2019-03-25

this is a text book for all doctors but especially gps appraisers and registrars it is written by a 40 year plus front line nhs doctor who for most of his career worked twice to three times the current doctors working time directive limited week chris heath has been a paediatric lecturer in a teaching hospital an anaesthetist various junior specialists and a gp over 30 years in 3 different practices he has been a gp trainer and appraiser and has seen politics and political correctness harm patients interests constantly over the last half of his career from the way it selects young doctors to the way they are educated and assessed the best interests of the patient are largely ignored this is a text book but it also contains home truths insights and a warts and all appraisal of how to be a good doctor as well as an unbiased assessment of what is wrong with today s nhs it also explains why today s politicians medical schools and doctors will resist the changes that are needed to put the patients needs first again

The Evolution Of Light From Living Human Subject: From the Provincial Medical Journal 2016-05-24

elle 20

Memorial Statue of Sir Henry Marsh ... in the Hall of the King and Queen's College of Physicians in Ireland 2015

this volume examines general ethical principles and controversies in the social sciences by looking specifically at the recent three year revision process to the american anthropological association s code of ethics the book s contributors were members of the task force that undertook that revision and thus have first hand knowledge of the debates compromises and areas of consensus involved in shaping any organization s ethical vision the book reflects the broad diversity of opinion approach and practice within anthropology and the social sciences develops ethical principles that reflect core values rather than the latest ethical controversies crafts clear broad statements increasing the likelihood that the ethical code will be a meaningful part of the daily discourse of practicing anthropologists develops the ethical code as a living document or a process of experience and debate subject to future revision and amplification provides explanation through internet links and other resources ensuring that the finished product be relevant and vibrant
