nora grey is responsible and smart and not inclined to be reckless her first mistake was falling for patch patch has made countless mistakes and has a past that could be called anything but harmless the best thing he ever did was fall for nora after getting paired together in biology all nora wants to do is stay away from patch but he always seems to be two steps ahead of her she can feel his eyes on her even when he is nowhere around she feels him nearby even when she is alone in her bedroom and when her attraction can be denied no longer she learns the secret about who patch is and what led him to her as well as the dark path he is about to lead her down despite all the questions she has about his past in the end there may be only one question they can ask each other how far are you willing to fall un juramento sagrado un ángel caído un amor prohibido enamorarse no formaba parte de los planes de nora grey nunca se había sentido especialmente atraída por sus compañeros en la escuela a pesar de los esfuerzos de su mejor amiga vee para encontrarle una pareja así era hasta la llegada de patch con su sonrisa fácil y sus ojos que parecen ver en su interior nora se siente encandilada por él a pesar de sí misma tras una serie de encuentros aterradores nora no sabe en quién confiar patch aparece allí a donde va y parece saber más sobre ella que su mejor amiga imposible decidir si debe darse por vencida y sucumbir a sus encantos o salir huyendo y esconderse cuando intenta encontrar algunas respuestas descubre una verdad que es más perturbadora que nada de lo que patch le hace sentir porque nora está en medio de una ancestral batalla entre los inmortales y los que han caído y cuando se trata de escoger bando la elección equivocada puede costarte la vida
