

Read free Verses on conflict resolution (2023)

Conflict resolution is a process that involves resolving a disagreement or dispute between two or more parties. It can be used in a variety of settings, including the workplace, family, and community. There are many different methods for resolving conflict, and the best method for a particular situation depends on the nature of the conflict and the people involved.

One common method for resolving conflict is negotiation. This involves the parties to the dispute talking to each other and trying to reach a mutually agreeable solution. Another common method is mediation, which involves a neutral third party helping the parties to resolve their dispute. Other methods include arbitration, conciliation, and litigation.

Conflict resolution is an important skill that everyone should learn. It can help you to resolve your conflicts peacefully and effectively, and it can help you to build better relationships with others. There are many resources available to help you learn more about conflict resolution, including books, articles, and online courses.

resolution conflict resolution is a social situation where the armed conflicting parties in a voluntarily agreement resolve to live peacefully with and or dissolve their basic incompatibilities and
