the armor god gave me describes the armor paul writes about in ephesians 6 while we always have access to our armor we are reminded to apply it every day each piece is significant and has a purpose when we stand firm in our faith and are clothed in our armor we can do anything the armor of god finally be strong in the lord and in his mighty power put on the full armor of god so that you can take your stand against the devil s schemes for our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world and against the spiritual forces of evil in the heavenly realms therefore put on the full armor of god so that when the day of evil comes you may be able to stand your ground and after you have done everything to stand stand firm then with the belt of truth buckled around your waist with the breastplate of righteousness in place and with your feet fitted with the readiness that comes from the gospel of peace in addition to all this take up the shield of faith with which you can extinguish all the flaming arrows of the evil one take the helmet of salvation and the sword of the spirit which is the word of god and pray in the spirit on all occasions with all kinds of prayers and requests with this in mind be alert and always keep on praying for all the saints pray also for me that whenever i open my mouth words may be given me so that i will fearlessly make known the mystery of the gospel for which i am an ambassador in chains pray that i may declare it fearlessly as i should eph 6 10 20 niv

the insights vince has received from his daily reading of the bible from 1974 to the present day are quite different than ninety five percent of what is taught in churches of all denominations today he will challenge christians to re examine some of the most commonly held beliefs today such as god loves you unconditionally by faith only are you saved and god hears all prayers vince asks what does the bible really say about these statements and concludes that perhaps obedience is better than gratitude or worship and that with love you actually can fulfill the law vince wisniewski began his working career as a machinist and soon realized that was not his calling he then developed an interest in natural medicine and pursued a profession in herbal medicine and acupuncture for the past ten years he has been conducting research into auto immune diseases and has also been very interested in world events as they relate to biblical prophecy
