Foundation of Digital Badges and Micro-Credentials 2016-06-29

this edited volume provides insight into how digital badges may enhance formal non formal and informal education by focusing on technical design issues including organizational requirements learning and instructional design as well as deployment it features current research exploring the theoretical foundation and empirical evidence of the utilization of digital badges as well as case studies that describe current practices and experiences in the use of digital badges for motivation learning and instruction in k 12 higher education workplace learning and further education settings

The Transformation of Work in Welfare State Organizations 2018-04-19

how has new public management influenced social policy reform in different developed welfare states new managerialism is conceptualized as a paradigm which not only shapes the decision making process in bureaucratic organizations but also affects the practice of individuals citizens public administrations have been expected to transform from traditional bureaucratic organizations into modern managerial service providers by adopting a business model that requires the efficient and effective use of resources the introduction of managerial practices controlling and accounting systems management by objectives computerization service orientation increased outsourcing competitive structures and decentralized responsibility are typical of efforts to increase efficiency these developments have been accompanied by the abolition of civil service systems and fewer secure jobs in public administrations this book provides a sociological understanding of how public administrations deal with this transformation how people s role as public servants is affected and what kind of strategies emerge either to meet these new organizational requirements or to circumvent them it shows how hybrid arrangements of public services are created between the public and the private sphere that lead to conflicts of interest between private strategies and public tasks as well as to increasingly homogeneous social welfare provision across europe

Gallium Nitride and Silicon Carbide Power Devices 2016-12-12

during the last 30 years significant progress has been made to improve our understanding of gallium nitride and silicon carbide device structures resulting in experimental demonstration of their enhanced performances for power electronic systems gallium nitride power devices made by the growth of the material on silicon substrates have gained a lot of interest power device products made from these materials have become available during the last five years

from many companies this comprehensive book discusses the physics of operation and design of gallium nitride and silicon carbide power devices it can be used as a reference by practicing engineers in the power electronics industry and as a textbook for a power device or power electronics course in universities request inspection copy

Electronics and Electrical Engineering 2015-07-28

the 2014 asia pacific electronics and electrical engineering conference eec 2014 was held on december 27 28 2014 in shanghai china eec has provided a platform for researchers engineers academicians as well as industrial professionals from all over the world to present their research results and development activities in electroni

The Uses of Social Investment 2017-05-26

the uses of social investment provides the first study of the welfare state under the new post crisis austerity context and associated crisis management politics to take stock of the limits and potential of social investment it surveys the emergence diffusion limits merits and politics of social investment as the welfare policy paradigm for the 21st century seen through the lens of the life course contingencies of the competitive knowledge economy and modern family hood featuring contributions from leading scholars in the field the volume revisits the intellectual roots and normative foundations of social investment surveys the criticisms that have leveled against the social investment perspective in theory and policy practice and presents empirical evidence of social investment progress together with novel research methodologies for assessing socioeconomic rates of return on social investment given the progressive admittedly uneven diffusion of the social investment policy priorities across the globe the volume seeks to address the pressing political question as to whether the social investment turn is able to withstand the fiscal austerity backlash that has re emerged in the aftermath of the global financial crisis

Deploying Feminism 2022

deploying feminism tells the story of how the military has been delegated authority to advance gender equality while tackling increasingly complex threats nato the world s foremost alliance has embedded these ideas in the planning and execution of its missions indeed women peace and security norms are being integrated into military processes but not necessarily as intended armed forces value one thing above all else operational effectiveness they are trained to stay focused on mission objectives and lines of efforts for troops deployed on nato missions this means seeking out women in their operating area to improve intelligence gathering activities this helps the mission surely but are the women better off through military implementation the focus on gender equality fades there is a consistent distortion of women peace and security norms based on fieldwork in iraq kosovo and the baltics this book details why and how these norms are militarized and put at the service of nato s operational effectiveness

Investment Protection Standards and the Rule of Law **2023-01-04**

this thoughtfully edited volume brings together leading scholars in the field to explore the relationship between the substantive standards of treatment contained in international investment agreements and the rule of law which is developing into one of the key principles which both supporters and critics use to evaluate the investment treaty regime investment protection standards and the rule of law explores two perspectives firstly it examines to what extent the substantive standards of treatment can be understood as expressions of the rule of law secondly it addresses the rule of law problems or rule of law lacunae that exist in or are created by the application of these standards the subject matter is advanced by combining doctrinal analysis of the core substantive treatment standards as well as normative assessment of those standards from the perspective of the rule of law this book also offers a critical discussion of the potential the rule of law has as a guidepost for structuring international investment relations as well as its blind spots

Youth Development in South Africa 2023-10-03

youth development in south africa harnessing the demographic dividend is a compelling snapshot of thirty years of south africa s democratic dispensation and what it has meant for the youth of the country as well as how its demographic dividend can be harnessed for a fairer society in the future

Gallium Nitride and Silicon Carbide Power Technologies **4 2014-06-05**

by 1952 it was thought the grizzly bear had been wiped out in colorado pushed to oblivion by predator phobic sheep ranchers and government trappers even so through the mid 1900s ghostly stories of grizzly sightings continued to haunt remote corners of the dark timbered san juan mountains in the southern most part of the state then one spooky september evening in 1979 a flesh and blood grizzly sow was surprised on its daybed in the south san juans by a bowhunter and the rest as they say is history or is it as author and veteran outdoorsman david petersen takes us along on his quest for evidence of the next last colorado grizzly we find ourselves enjoying a masterful mystery unfolding character by adventure page by riveting page although ghost grizzlies is set in colorado it stands as a timeless metaphor for every wild place and creature that finds itself under the gun of human encroachment still today this revised third edition has a new cover 12 new pages of photos and updates

Ghost Grizzlies 2015-04-07

en aquest volum del grup d'opinió de l'observatori de bioètica i dret coordinat per les doctores maría casado maria rosa llàcer i lídia buisan s'analitzen des de la perspectiva bioètica els inconvenients de l'explotació i la comercialització de dades dels usuaris de la sanitat pública arran dels problemes detectats en el projecte visc de la generalitat de
