Children's Books in Print

1993

new testament theology is a major new contribution to new testament scholarship by renowned scholar eckhard schnabel while many new testament theologies approach the material through a particular thematic construct e g covenant schnabel takes a different approach first he focuses on jesus messiah and his significance for the early church second he seeks to describe the theology of the new testament as it was written and read in its historical context this approach honors the fact that the authors and original readers of the new testament were real people dealing with real issues in their specific ecclesiological cultural and missiological settings schnabel comprehensively combines a historical description of the new testament s theology with a systematic reflection on the new testament s message and the convictions of jesus and his early followers this valuable contribution to the field will be insightful reading for students scholars and pastors

The Publishers Weekly

2000

in order to understand today s nationalism we need to address the historical decline of working class communities the sense of loss brought by deindustrialisation and how working class people have been denied a voice in society and politics discontent has manifested strongly in these deprived post industrial areas often branded as communities that have been left behind under neoliberal globalisation whilst more and more people are voicing their discontent with a

system that fails to provide social security and economic stability many researchers have branded them merely as racists xenophobes and ill educated although prejudices are likely to play a part in all political outcomes today s dissatisfaction across the west cannot be reduced to mere emotion and intolerance this book therefore utilises on the ground research with working class individuals in a leave voting locale in britain exploring their discontent with politicians the labour party the european union immigration refugees and the prolonged calls for a second referendum it situates this sentiment towards society and politics within the decline of capitalism s post war era and the loss of well paid industrial jobs increase in non unionised service employment and the hollowing out of community spirit
