To kill a mockingbird is a novel of such profound power that it has affected the lives of readers and left an indelible mark on American culture. This rich collection of historical documents, collateral readings, and commentary captures the essence of the novel's impact, making it an ideal resource for students, teachers, and library media specialists. Drawing on multi-disciplinary sources, the casebook places the issues of race, censorship, stereotyping, and heroism into sharp perspective. Through these documents, the reader also gains a taste for the historical events which influenced the novel, as well as the novel's relevance in today's world. Among the documents which speak most eloquently are testimony from the Scottsboro case of the 1930s, memoirs and interviews with African Americans and Whites who grew up in Alabama in the 1930s, and news stories on civil rights activities in Alabama in the 1950s. Most of the documents presented are available in no other printed form. Study questions, project ideas, and bibliographies are also included for ease of use in further examination of the issues raised by the novel. Thirteen historical photographs complement the text. Following a literary analysis of issues raised by the novel, the casebook opens with testimony and newspaper articles from the 1930s Alabama Scottsboro case. The significant parallels of this case to the novel paint a social and historical background of the novel. Memoirs and interviews with African Americans and Whites who grew up in Alabama in the 1930s further complete the historical landscape. Articles and

the orc king forgotten realms transitions 1 legend of

drizzt 17 ra salvatore (PDF)

news stories from the 1950s depict the increasingly tense volatile environment in which the novel was written and published documents examine the stereotypes of the poor white the african american and the southern belle and how the novel allows the reader to walk around in the shoes of those who have been stereotyped more current articles examine the legal literary and ethical ramifications of the novel these articles include a debate between lawyers over whether atticus finch was a hero and discussion of attempts to censor the novel

To Kill a Mockingbird Study Guide and Student Workbook (Enhanced Ebook)
