Culture Wars in British Literature 2012-09-21 the past century's culture wars that Britain has been consumed by but that few North Americans seem aware of have resulted in revised notions of Britishness and British literature yet literary anthologies remain anchored to an archaic Anglo-English interpretation of British literature conflicts have been played out over specific national vs British identity some residents prefer to describe themselves as being from Scotland, England, Wales or Northern Ireland instead of Britain in debates over immigration, race, ethnicity, class and gender and in arguments over British literature these debates are strikingly detailed in such

chapters as the difficulty defining black british british jewish writers and xenophobia and the booker prize connections are also drawn between civil rights movements in the u s and uk this generalist cultural study is a lively read and a fascinating glimpse into britain s changing identity as reflected in 20th and 21st century british literature

The Forest Horses 2011-08-26 the forest horses is a study in contrasts between two women one an indomitable spirit living through a turbulent age and the other a troubled soul living in settled times on midsummer s eve 1941 lena keeper of the forest horses of gotland is kidnapped by a russian poacher along with her herd and taken to leningrad just in time to endure the two year german siege of that city during world war ii her captor pytor becomes her husband and they and their horses take part in a daring and dangerous rescue effort that smuggles food and other supplies into leningrad across the ice of lake ladoga on one winter trip across this road of life their daughter signe is born into an icy world of strife deprivation and horses after the war the family immigrates to the canadian prairies to start a new life interwoven with this story is the journey of that same signe daughter of the ice who departs from regina on midsummer s eve 2005 to make her first journey back to the land where she was born she s on a mission to search out her beginnings her people and the possible meaning to be found for a life that has come to somehow mirror the harsh conditions of its beginning

Cars for Comrades 2011-08-15 the automobile and soviet communism made an odd couple the quintessential symbol of american economic might and consumerism never achieved iconic status as an engine of communist progress in part because it posed an awkward challenge to some basic assumptions of soviet ideology and practice in this rich and often witty book lewis h siegelbaum recounts the life of the soviet automobile and in the process gives us a fresh perspective on the history and fate of the ussr itself based on sources ranging from official state archives to cartoons car enthusiast magazines and popular films cars for comrades takes us from the construction of the huge soviet detroits emblems of the utopian phase of soviet planning to present day togliatti where the fate of russia s last auto plant hangs in the balance the large role played by american businessmen and engineers in the checkered history of soviet automobile manufacture is one of the book s surprises and the author points up the ironic parallels between the soviet story and the decline of the american detroit in the interwar years automobile clubs car magazines and the popularity of rally races were signs of a nascent soviet car culture its growth slowed by the policies of the stalinist state and by russia s intractable roadlessness in the

postwar years cars appeared with greater frequency in songs movies novels and in propaganda that promised to do better than car crazy america ultimately siegelbaum shows the automobile epitomized and exacerbated the contradictions between what soviet communism encouraged and what it provided to need a car was a mark of support for industrial goals to want a car for its own sake was something else entirely because soviet cars were both hard to get and chronically unreliable and such items as gasoline and spare parts so scarce owning and maintaining them enmeshed citizens in networks of private semi illegal and ideologically heterodox practices that the state was helpless to combat deeply researched and engagingly told this masterful and entertaining biography of the soviet automobile provides a new perspective on one of the twentieth century s most iconic and important technologies and a novel approach to understanding the history of the soviet union itself

The Oxford Encyclopedia of African Thought 2010 Modern Voice Working with Actors on Contemporary Text has been designed to follow on from Catherine's previous book Classic Voice Working with Actors on Vocal Style focusing on the less defined demands within contemporary drama lifting contemporary speech rhythms off the page can be a challenge for actors sometimes these rhythms are realistic resembling or mirroring the speech patterns of real human beings sometimes they are non realistic distorting speech patterns for particular effect Modern Voice not only provides an

accessible approach for understanding speech rhythm but also presents an overview of different types and styles of contemporary text including the rise of dramatic realism in England, America and Australia. Along the way there are a myriad of practical ideas for directors, lecturers, teachers, trainers and coaches to explore in their workshops and rehearsals.

Modern Voice 2012-06-11 discussing crises through diverse examples including the UK's national theatre, public art installations, Occupy, LGBTQ+ repatriation ceremonies and performances of the everyday. This book asks how performance captures and resists what is considered politically, ideologically, culturally or socially inside or outside Europe.

Performances of Capitalism, Crises and Resistance 2015-07-27 forty great South Africans celebrate their mothers and grandmothers, leaders from the worlds of politics, business, music, sport, education and literature pay homage to the women who have influenced and inspired them to lead exceptional lives. Mac Maharaj remembers how his mother served everyone with unfailing courtesy and recognition of their dignity. Desmond Tutu hopes he can resemble his mother spiritually and emulate her generosity and kindness. While Pam Golding shares her mom's good advice: keep dancing and you'll stay out of trouble. Who was it that raised the likes of Sibongile Khumalo or Antjie Krog to extraordinary achievement or Nelson Mandela, Lukas Radebe, JM Coetzee, Helen Suzman, Pieter Dirk Uys, Miriam Makeba, Elana Meyer, Ahmed Kathrada and many more? Much of the answer lies in these heart-warming tributes.

Writers' & Artists' Yearbook 2019 2018-07-26 with nationalism and the far right on the rise across europe and north america there has never been a more important moment to face up to what we in britain are doing to those who seek sanctuary still the uk detains people indefinitely under immigration rules bail hearings go unrecorded people are picked up without notice individuals feel abandoned in detention centres with no way of knowing when they will be released in refugee tales iii we read the stories of people who have been through this process many of whom have yet to see their cases resolved and who live in fear that at any moment they might be detained again poets novelists and writers have once again collaborated with people who have experienced detention their tales appearing alongside first hand accounts by people who themselves have been detained what we hear in these stories are the realities of the hostile environment the human costs of a system that

disregards rights that denies freedoms and suspends lives we hear so many of the wrong words about refugees ugly limiting unimaginative words that it feels like a gift to find here so many of the right words which allow us to better understand the lives around us and our own lives too kamila shamsie all profits go to the gatwick detainee welfare group and kent help for refugees

Refugee Tales: Volume III 2019-06-27 in recent years the us led invasions of afghanistan and iraq have had an impact on the uk rivalled only by brexit and the global financial crisis for people at home the wars were ever present in the media yet remained distant and difficult to apprehend janina wierzoch offers an analytical survey of british contemporary war narratives in novels drama film and television that seek to make sense of the experience the study shows how the narratives instead of reflecting on the uk s role as invader portray war as invading the british home home loses its post cold war sense of permanent peace and is recast as a home front where war once again becomes part of what it means to be us

Beyond Documentary Realism 2021-02-22 this book explores the humanities as an insightful platform for understanding and responding to the military prison at guantánamo bay other manifestations of guantánamo and the contested place of freedom in american empire it presents the work of scholars and writers based in cuba s guantánamo province and various parts of the us its essays short stories poetry and other texts engage the far reaching meaning and significance of gitmo by bringing together what happens on the u s side of the fence or la cerca as it is called in cuba with perspectives from the outside world chapters include critiques of artistic renderings of the guantánamo region historical narratives contemplating the significance of freedom analyses of the ways the base and region inform the cuban imaginary and fiction and poetry published for the first time in english not simply a

critique of imperialism this volume presents politically engaged commentary that suggests a way forward for a site of global contact and conflict

Guantánamo and American Empire 2018-01-30 in a moment of intense uncertainty surrounding the means ends and limits of countering terrorism this study approaches the recent theatres of war through theatrical stagings of terror theatre on terror subject positions in british drama charts the terrain of contemporary subjectivities both at home and on the front line beyond examining the construction and contestation of subject positions in domestic and sub urban settings the book follows border crossing figures to the shifting battlefields in iraq and afghanistan what emerges through the analysis of twenty one plays is not a dichotomy but a dialectics of home and front where fluid uncontainable subjects are constantly pushing the contours of conflict revising the critical consensus that post 9 11 drama primarily engages with the real ariane de waal argues that these plays navigate the complexities of the discourse rather than the historical or social realities of war and terrorism british theatre on terror negotiates inflects and participates in the discursive circulation of stories idioms controversies testimonies and pieces of mis information in the face of global insecurities

Theatre on Terror 2017-05-08 this book is the sequel to britain through muslim eyes and examines contemporary novelistic representations of and by muslims in britain it builds on studies of the five senses and sensuous geographies of postcolonial britain and charts the development since 1988 of a fascinating and important body of fiction by muslim identified authors it is a selective literary history exploring case study novelistic representations of and by muslims in britain to allow in depth critical analysis through the lens of sensory criticism it argues that for authors of muslim heritage in britain writing the senses is often a double edged act of protest some of the key authors excoriate a suppression or cover up of non heteronormativity and women s rights that sometimes occurs in muslim communities yet their protest is especially directed at secular culture s ocularcentrism and at successive british governments efforts to surveil control and suppress muslim bodies

Making Sense of Contemporary British Muslim Novels 2019-04-23 

The Annual Register: World Events 2004 this edited volume examines the political social and cultural insecurities that the united states is faced with in the aftermath of its post 9 11 foreign policy and military ventures the contributors critically detail the

new strategies and ideologies of control governance and hegemony america has devised as a response to these new security threats the essays explore three primary areas first they interrogate the responses to 9 11 that resulted in an attempt at geopolitical mastery by the united states second they examine how the us response to 9 11 led to attempts to secure and control populations inside and outside the united states resulting in situations that quickly started to escape its control such as abu ghraib and katrina lastly the chapters investigate links between contemporary regimes of state control and recently recognized threats arguing that the conduct of everyday life is increasingly conditioned by state mobilized discourses of security these discourses are it is argued ushering in a geopolitical future characterized by new insecurities and inevitable measures of biopolitical control and governance
