The Ghost-dance Religion and the Sioux Outbreak of 1890 1991-01-01

responding to the rapid spread of the ghost dance among tribes of the western united states in the early 1890s james mooney set out to describe and understand the phenomenon he visited wovoka the ghost dance prophet at his home in nevada and traced the progress of the ghost dance from place to place describing the ritual and recording the distinctive song lyrics of seven separate

tribes his classic work first published in 1896 and here reprinted in its entirety for the first time includes succinct cultural and historical introductions to each of those tribal groups and depicts the ghost dance among the sioux the fears it raised of an indian outbreak and the military occupation of the sioux reservations culminating in the tragedy at wounded knee seeking to demonstrate that the ghost dance was a legitimate religious movement mooney prefaced his study with a historical survey of comparable millenarian movements among other american indian groups in addition to his work on the ghost dance james mooney is best remembered for his extraordinarily detailed studies of the cherokee indians of the southeast and the kiowa and other tribes of the southern plains and for his advocacy of american indian religious freedom

eddie didn t favor anyone in his family fair blonde and green eyed he stood in sharp contrast to the other darker complected dark haired blue eyed members the difference created a rift in the family fabric and his mother singled him out for abuse irrationally holding him responsible for the family s turmoil little eddie struggled with the severity of his maltreatment but by age eleven could no longer handle the circumstances of his life he decided his only escape would be to die that by conscious will he could simply resolve to give up life and cease to exist eddie s mind alerted to his decision and believing the ultimate goal for any entity was to continue regardless of form or quality of life was determined to survive panicked at the threat of cessation his mind made a desperate decision it fractured his personality and created randy from traits that had been repressed in eddie randy a tough defiant individual was created to bring new energy new life and stand in defense of the defeated accepting eddie rising to the challenge he accepted the responsibility of his creation and was fiercely focused to protecting eddie while endeavoring to create new circumstances for the life they shared randy was proud of his efforts to save eddie he knew he was eddie s paladin his champion created for a noble purpose to bring eddie back from the brink of oblivion after many struggles randy s efforts appeared to be successful and the mind considered the possibility of enjoying the existence he d insured it pondered the idea of eddie

being involved with the world rather than merely persisting through the time allotted for the life aware of eddie s inability to interact with the world around him the mind again fractured the personality creating jesse a new facet an aesthetic personality focused to tender feelings of love and friendship and aspects which determine quality of life jesse felt he was created to experience emotions and appreciate beauty to evolve the repressed side of the personality to bring stability to the entity he believed he was born to search for love to find the emotional equilibrium that would bring the separate identities into harmony developed from suppressed characteristics jesse was creative and confident loving and inquisitive charming and fun loving and he was on a quest determined to achieve his goal without eddie s awareness of them randy and jesse sought to balance their existence and hoped they were achieving what they saw as a normal life until jesse experienced an incident which shattered that belief and forced them to realize they had not progressed as far as they thought jesse s realization that he had made a terrible mistake was devastating jumping to a conclusion randy the controlling personality in his determination to fend off any challenges to them felt he must take over to handle the crisis in an effort to protect them
