hunters weren't hungry vampires get it now for fans of Sherrilyn Kenyon J.R. Ward Gena Showalter Larissa Ione Lara Adrian Nalini Singh Dianne Duvall Wow! Wolf Shifters Vampires Oh My! Kiss of Darkness Alien Vampire Hunter is an awesome totally different short must-read that had me from the get-go. I always enjoy Ms. Marean's unique storytelling with great attention to detail, well-defined characters, and some surprise twists that keeps readers engaged turning pages like crazy and then wanting more like I do. Kiss of Darkness Alien Vampire Hunter by Sheri Lynn Marean is a yummy intro to the world of Andricans. I loved the characters and found the storyline to be a fun and interesting take on weres and vampires just in time for Halloween. Sheri Lynn Marean brings the same passion to this series as she shares in her Dracones series. Add it to your TBR pile, you know near the top. I'm not a big fan of vampires but after reading this one I realized that I have been painting them all with the same brush. As there is only a few ways to make them different, however, this one was really good and had another flavor. I don't usually read a science fiction twist.
