on chromosome 11p15 4

## 1 1 introduction to life span growth and development

Jun 06 2023

we examine cognitive change or how our ability  
to think and remember changes over time we  
look at how our concerns and psychological  
state is influenced by age and finally how our  
social relationships change throughout life  
there are several goals of those involved in  
this discipline 1

## *3 8 lecture introduction to life span growth and*

May 05 2023

welcome to life span growth and development  
this is the study of how and why people change  
or remain the same over time although this  
course is offered in psychology this is a very  
interdisciplinary course
