Toward the Year 2000 1967 as modernity gives way to postmodernity we are witnessing the emergence of a post political age concepts and realities that anchored modern politics like nation states community freedom and law find themselves under duress from a pluriform terror simultaneously we are witnessing a turn to religion by continental philosophers who seek resources for re visioning a politics of resistance to this terror this work engages postmodern philosophers such as agamben badiou derrida deleuze hardt negri and zizek seeking to divine both the promise and peril of this pagan plundering of christianity on the way to articulating a christian theopolitical vision that holds out the hope of resisting the terror that looms over us

Divinations 2017-10-27 the future of liberation theology envisions a radical new direction for latin american liberation theology one of a new generation of latin american theologians ivan petrella shows that despite the current dominance of end of history ideology liberation theologians need not abandon their belief that the theological rereading of christianity must be linked to the development of historical projects models of political and economic organization that would replace an unjust status quo in the absence of historical projects liberation theology currently finds itself unable to move beyond merely talking about liberation toward actually enacting it in society providing a bold new interpretation of the current state and potential future of liberation theology ivan petrella brings together original research on the movement with developments in political theory critical legal theory and political economy to reconstruct liberation theology s understanding of theology democracy and capitalism the result is the recovery of historical projects thus allowing liberation theologians to once again place the reality of liberation and not just the promise at the forefront of their task

The Future of Liberation Theology 2017-03-02 this provocative and timely primer on the just war tradition connects just war to the concrete practices and challenges of the christian life daniel bell explains that the point is not simply to know the just war tradition but to live it even in the face of the tremendous difficulties associated with war he shows how just war practice if it is to be understood as a faithful form of christian discipleship must be rooted in and shaped by the fundamental convictions and confessions of the faith the book includes a foreword by an army chaplain who has served in iraq and study questions for group use

Just War as Christian Discipleship 2009-10-01 scientists in lipid biochemistry research have increasingly recognized the role of lipids as signaling molecules aside from their importance in forming cellular membranes and storing energy this book provides the latest findings on a wide variety of complex lipids in cells that function either as intracellular or intercellular messengers international investigators present current data on the most extensively studied examples of both intracellular and intercellular messengers generated from lipids and describe their basic mechanisms which also utilize receptors in the g protein coupled family the in depth discussions address such topics as lipid signaling for protein kinase c activation phosphatidic acid and lyso phosphatidic acid ceramide as a messenger bioactive properties of sphingosine and structurally related compounds platelet activating factor and paf like mimetics and prostaglandins and related compounds lipid second messengers is an up to date reference on developments in the expanding field of lipid derived signals and will be of interest to biochemists physiologists pharmacologists geneticists and biologists

Lipid Second Messengers 1996-05-31 daniel bell assesses the impact of christian resistance to capitalism in latin america and the implications of theological debates that have emerged from this he uses postmodern critical theory to investigate capitalism its effect upon human desire and the church s response to it in a thorough account of the rise failure and future prospects of latin american liberation theology

Liberation Theology After the End of History 2001 in this addition to the award winning church and postmodern culture series respected theologian daniel bell compares and contrasts capitalism and christianity showing how christianity provides resources for faithfully navigating the postmodern global economy bell approaches capitalism and christianity as alternative visions of humanity god and the good life considering faith and economics in terms of how desire is shaped he casts the conflict as one between different disciplines of desire he engages the work of two important postmodern philosophers deleuze and foucault to illuminate the nature of the postmodern world that the church currently inhabits bell then considers how the global economy deforms desire in a manner that distorts human relations with god and one another in contrast he presents christianity and the tradition of the works of mercy as a way beyond capitalism and socialism beyond philanthropy and welfare christianity heals desire renewing human relations and enabling communion with god

The Economy of Desire (The Church and Postmodern Culture) 2012-11-01 because of its location berkeley county virginia was a natural magnet for migration and a focal point of westward expansion the bulk of berkeley county s early records including its marriage records can be found today in the courthouse in martinsburg west virginia the present work is a digest of the berkeley marriage records for the entire period from 1781 through 1854 it is arranged in alphabetical order by the

names of both brides and grooms and contains the records of nearly 6 000 marriages at least 15 000 persons are mentioned in this work not counting ministers

Official Register of the United States 1901 god is like a drug a high i can t wait for the next hit this direct quote from a megachurch member speaking about his experience of god might be dismissed as some sort of spiritually induced drug riff however according to the research in this book it was not only sincere but a deeply felt and sought after sensibility megachurch attendees desire this first hand experience of god and many report finding it in their congregations the book focuses on the emotional social and religious dynamics that pull thousands of people into megachurches and how those churches make some feel like they are high on god and can t wait to get their next spiritual hit high on god gives the first robust and plausible explanation for why megachurches have conquered the churchgoing market of america without condescension or exaggeration the authors show the genius of megachurches the power of charisma the design of facilities the training of leaders the emotional dynamics and the strategies that bring people together and lead them to serve and help others using emile durkheim s concept of homo duplex the authors plot the strategies that megachurches employ to satisfy the core human craving for personal meaning and social integration as well as personal identity and communal solidarity the authors also show how these churches can go wrong sometimes tragically so but they argue that for the most part megachurches help their attendees find themselves through bonding with and serving others

Marriage Records of Berkeley County, Virginia for the Period of 1781-1854 2009-06 this volume explores contemporary christian political theology discussing its traditional sources its emergence as a discipline and its key issues

High on God 2020-01-10 this book shows that basic income is a powerful tool for realizing economic justice in our modern society through an interdisciplinary investigation of basic income in korea involving theological and social scientific perspectives the book covers the topic of basic income on an academic basis an economic basis and in terms of its institutionalization potential although modern society is a global one centered on the economic ideology of neo liberalism the negative effects of social polarization caused by this are quite severe it is also urgent to come up with alternative solutions to the problems of labor reduction and wage labor moreover the expansion of productivity through collaboration between humans and artificial intelligence also presents a challenge an interdisciplinary study on the meaning and restructuring of labor is therefore needed this book traces themes supporting the concept of basic income appearing in the old and new testaments as well as precedents relating to basic income in the context of capitalism in the thought of the reformers within the framework of christian ethics the book looks at the ideological basis for basic income and its applicability to the current situation in order to pursue economic justice additionally the book examines the practical feasibility and rationale for basic income by discussing the economics of basic income financing and the political economy implications for how it can be applied to real politics

The Cambridge Companion to Christian Political Theology 2015-11-20 not long ago paul ramsey 1913 1988 was a leading voice in north american christian ethics today however his intellectual legacy is in question and his work is largely ignored by current scholars in the field against the tide of that neglect adam edward hollowell argues in power and purpose that ramsey s work can still yield considerable insight for contemporary christian political theology hollowell shows the influences of jean jacques rousseau and karl barth on ramsey s early work discusses his conversations with political theologians of his generation including reinhold and richard niebuhr and joseph fletcher considers his influence on the early virtue theory of jean porter and oliver o donovan and places ramsey s work in conversation with more recent voices in christian ethics including john bowlin jennifer herdt charles mathewes eric gregory and daniel bell hollowell thus forges new connections between ramsey and contemporary debates in political theology on such issues as political authority power just war and torture hollowell s power and purpose also revisits well known aspects of ramsey s work for example his insistence on the political significance of god s covenant with creation and offers an original account of the role of judgment in his theology of repentance the book dedicates considerable attention to ramsey s description of practical reasoning and highlights his commitment to the virtues especially prudence this accessible introduction to paul ramsey will appeal to a wide swath of scholars and students in christian ethics and political theology

Basic Income in Korea and Beyond 2023-02-08 a provocative study that cuts to the very heart of christian thought the nonviolent atonement challenges the traditional anselmian understanding of atonement along with the assumption that heavenly justice depends on christ s passive innocent submission to violent death at the hands of a cruel god instead j denny weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the new testament and sensitive to the concerns of pacifist black feminist and womanist theology while many scholars have engaged the subject of violence in atonement theology weaver s

nonviolent atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories key features of this revised and updated second edition include new material on paul and anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of weaver s original work praise for the first edition the best current single volume on reconstructing the theology of atonement s mark heim in anglican theological review weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation a provocative but faithful proposal benefiting any student of christology religious studies review a noteworthy contribution to the literature on the atonement weaver provides a useful critique of the history of atonement motifs he does a fine job of placing anselm s theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the gospels and the cosmic perspective of the apocalypse and he attempts to relate discussions of the atonement to christian social ethics trinity journal this is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers a clearly written passionately expressed introduction to current debates on the atonement excellent resource reviews in religion and theology

Power and Purpose 2015-01-26 the authors of this book claim that to abandon the christian doctrine of the atonement is to abandon the central witness of the gospel for atonement speaks of nothing less than god s reconciliation of the world in the life death and resurrection of jesus christ drawing on the classical theories of the atonement engaging in creative theological construction they present a set of cogent cohesive alternatives to either rejecting the doctrine out of hand or uncritically accepting it

The Nonviolent Atonement, Second Edition 2011-01-26 covers receipts and expenditures of appropriations and other funds

Atonement and Violence 2006 this book argues that christians have a stake in the sustainability and success of core cultural values of the west in general and america in particular steven m studebaker considers western and american decline from a theological and specifically pentecostal perspective the volume proposes and develops a pentecostal political theology that can be used to address and reframe christian political identity in the united states studebaker asserts that american christians are currently not properly engaged in preventing america s decline or halting the shifts in its core values the problem he suggests is that american christianity not only gives little thought to the state of the nation beyond a handful of moral issues like abortion but its popular political theologies lead christians to think of themselves more as aliens than as citizens this book posits that the proposed pentecostal political theology would help american christians view themselves as citizens and better recognize their stake in the renewal of their nation the foundation of this proposed political theology is a pneumatological narrative of renewal a biblical narrative of the spirit that begins with creation proceeds through incarnation and pentecost and culminates in the new creation and everlasting kingdom of god this narrative provides the foundation for a political theology that speaks to the issues of christian political identity and encourages christian political participation

Report of the Clerk of the House from ... 1995 a substantial and definitive introduction to public theology by one of the leading experts in the field a key text for third year undergraduate modules and ma courses in social ethics political theology and public theology

A Pentecostal Political Theology for American Renewal 2016-10-26 princeton s mark lewis taylor has always worked at the intersection of the political and theological now in this intense and exciting work he explores in a systematic way how those two dimensions of human reality can be conceived anew and together taylor argues that the decline of political discourse the justification of torture and preemptive war mass incarceration the misuse of religion to justify atrocity and most especially the sheer weight of suffering in the world all these developments urge us to reconceive theology itself in conjunction with the latest insights of political theory decolonial thought and spectral theories in contemporary philosophy taylor suggests that the political is the context of the theological and a realm in which we can discern beyond simple categories of transcendence and immanence a transimmanence that is theologically illuminative and politically liberating publisher description

Annual List of Merchant Vessels of the United States 1920 what are human rights can theology acknowledge human rights discourse is theological engagement with human rights justified what place should this discourse occupy within ethics ethna regan seeks to answer these questions about human rights christian theology and philosophical ethics the main purpose of this book is to justify and explore theological engagement with human rights regan illustrates how that engagement is both ecumenical and diverse citing the emerging engagement with human rights discourse by evangelical theologians in response to the war on terror the book examines where the themes and concerns of key modern theologians karl rahner j b metz jon sobrino and ignacio ellacuría converge with the themes and concerns of those committed to the advancement of human rights regan also critically engages with the disdain for rights discourse that is found in the postliberal critiques of john milbank and stanley hauerwas this interdisciplinary volume will be of interest to students and scholars in the fields of systematic theology theological ethics human rights religion and politics and political theory

Merchant Vessels of the United States... 1917 celebrated theologian offers wisdom for civic engagement christian citizens have a responsibility to make political and ethical judgments in light of their faith and to participate in the public lives of their communities from their local neighborhoods to the national scene but it can be difficult to discern who to vote for which policies to support and how to respond to the social and cultural trends of our time this nonpartisan handbook offers christians practical guidance for thinking through complicated public issues and faithfully following jesus as citizens of their countries the book focuses on enduring christian commitments that should guide readers in their judgments and encourages legitimate debate among christians over how to live out core values the book also includes lists of resources for further reflection in each chapter and room for debate questions to consider

Congressional Record 2017 the church is political theologians have been debating this claim for years liberationists anabaptists augustinians neo calvinists radical orthodox and others continue to discuss the matter what do we mean by politics and the political what are the limits of the church s political reach what is the nature of the church as an institution how do we establish these claims theologically jonathan leeman sets out to address these questions in this significant work drawing on covenantal theology and the new institutionalism in political science leeman critiques political liberalism and explores how the biblical canon informs an account of the local church as an embassy of christ s kingdom political church heralds a new era in political theology

Merchant Vessels of the United States 1910 is god in the business of entertainment matchmaking time management blood sacrifice or medicine if you listen to some messages both inside and outside the church today you might think so but in god does not several theologians challenge these and other widespread misconceptions of how god works in the world a follow up to the popular god is not this book is both accessible and provocative in the end we are left not with a negation of what god does but an affirmation of a god who does all things well and often far exceeds what our human imaginations can fathom

Theology and the Boundary Discourse of Human Rights 2010-04-14 the modern ethics of war is a field of disparate competing voices based on often unexplored theological and metaphysical assumptions therese feiler approaches them from the borderline area between systematics philosophical theology and religious studies with reference to g w f hegel s and like minded thinkers theo logic that negotiates christ s mediation and immanent dialectics feiler identifies the logic and problem of mediation as the core concern of political ethics feiler unites five representative authors from now disparate strands of contemporary just war

ethics testing whether they offer a meaningful possibility of mediation and subsequent reconciliation a sovereign realist and a cosmopolitan idealist a rationalist individualist an idealist christian ethicist and finally an evangelical theologian opening the just war debate for comparative critical engagement feiler creates a fascinating study that locates a dynamic point at which faithful free political action can be wrestled from irony tragedy and melancholic inertia in the face of totalitarian suffocation

Public Faith in Action 2017-09-19 includes the decisions of the supreme courts of alabama florida louisiana and mississippi the appellate courts of alabama and sept 1928 jan 1929 jan mar 1941 the courts of appeal of louisiana

Mercury Project Summary Including Results of the Fourth Manned Orbital Flight 1963 this book situates public theology within the genre of political theology drawing upon the distinct strands of political theologies identified by daniel m bell jr gnana patrick treats public theology as the form of political theology for our contemporary era and takes special care to relate these strands of political theologies to the indian context thereby opening up the theological horizon for indian public theology further public theology dwells upon certain prominent features of our contemporary global world and discerns the human need for experiencing transcendence today taking faith to be the catalyst for this experience of transcendence it points to civil society as the interstice through which faith can be imparted to the contemporary world and it argues for the relevance of public theology for that work
