Geographic Reference Manual 1978

Geographic Reference Manual 1978
This manual provides a comprehensive list of geographic references for the year 1978. It includes information on various locations, including cities, towns, and villages, as well as their respective populations and other relevant details. The manual is organized alphabetically by location name, making it easy to find the information you need. It is a valuable resource for anyone interested in geography or local history.

Mech 1985

Mech 1985
This manual provides a comprehensive list of mechanical references for the year 1985. It includes information on various mechanical components, including engines, pumps, and motors, as well as their respective specifications and other relevant details. The manual is organized alphabetically by component name, making it easy to find the information you need. It is a valuable resource for anyone interested in mechanics or engineering.

Excel 2016 2013 2010 2018-08-20

Excel 2016 2013 2010 2018-08-20
This manual provides a comprehensive list of Excel references for the years 2016, 2013, and 2010. It includes information on various Excel features, including formulas, functions, and macros, as well as their respective syntax and other relevant details. The manual is organized alphabetically by feature name, making it easy to find the information you need. It is a valuable resource for anyone interested in Microsoft Excel.
