Destination: Desire 2015-02-03 what happens on vacation lingers in the heart vegas vacation a group of teachers are cutting loose over spring break history teacher meg hadn t planned on going but she let her friend talk her into it it took some arm twisting for finn to convince his fellow teacher to get meg to vegas for over a year he s wanted to know her outside of work when he gets the opportunity to peel away those layers the result is explosive now to convince her this is the start of something amazing hawaiian holiday it s julie s first christmas without her great aunt and grief drives her to take some much needed time off a week in honolulu is exactly what she needs and a gorgeous man who makes her forget everything except getting naked stanford professor lukas klein has been leery of getting too deeply involved in a relationship yet julie is a breath of fresh air he doesn t want to resist they don t live far apart but the magic of paradise could be too far removed from reality to let an attraction this mind blowing last forever warning teachers doing very naughty things to each other while on vacation in sin city watch out for crochet bikinis and sex on the beach the drink and the real thing

A Study of Mexican Travel Habits and Patterns: Results of a national sampling survey of Mexican travelers, indicating their travel patterns, attitudes toward the U.S. as a traveler destination, demographic and trip characteristics; conducted by Gaither International, Inc 1975 it was a saturday morning when we arrived to charles de gaulle airport in paris also known as roissy where we took the train to the city center to check in to our hotel the trip took about one hour and thirty minutes and we were faced with a very unwelcoming experience throughout the train and metro transfer stations when we transferred from the train to the metro there was a huge corridor that we had to walk and we were faced with two black men into their thirties who seemed quite sketchy and somewhat malevolent

A Study of Mexican Travel Habits and Patterns 1975 remember this as you read life through these eyes vol ii there is always a story within a story i am often asked are your characters real oh yes they are all realvery real to me i loved a few disliked many and spent years trying to forget some the book covers six decades of my lifestories of love exceptional friendships pets raising humans marriage at its best and worst really mean people holiday memories men being men and much more at age fifty eight i discovered i had a message i wanted to share a message that contained memories from childhood to retirement wonderful and sometimes painful life lessons praise and criticism regarding my community and events and people that made me angry and disillusioned i found an outlet for many hurtful experiences also i found a way to channel my political feelings writing became my therapist

A Study of Mexican Travel Habits and Patterns 1975 sport now has to compete for the consumer dollar with a vast array of leisure activities online as well as offline successful sport marketing is the result of carefully structured planning creativity and perseverance integrating the unique characteristics of sport with traditional marketing theory strategic sport marketing presents a framework of strategic decision making the authors outline the diverse markets for sport participants sponsors spectators and fans international case studies and sportviews selected from a wide range of sports and media illustrate the unique features of sport marketing strategic sport marketing is a practical tool and theoretical guide to sport marketing internationally the fourth edition of this widely used text is fully revised and updated it includes new material on sports promotion customer service and social media as well as new case studies a sport marketing text at the undergraduate level needs to engage both student and teacher i believe strategic sport marketing does this rather well sport management review a comprehensive illustration of the integration of sport marketing theory with sport marketing practice journal of sport management

Engaging in Action Research 2011-11-19 ecotourism development in costa rica the search for oro verde by andrew p miller examines the use of ecotourism as a development strategy in costa rica and its applicability to other central american states ecotourism provides an important environmental check on industry giving the environment a voice by making its preservation an economic necessity due to the number of people who derive their income from it the move away from agriculture to ecotourism is a natural fit because many of those who are engaged in agriculture have extensive knowledge of plants and animals that can be utilized by the ecotourism industry the use of ecotourism as a development strategy is distinctive for ecotourism to succeed it must preserve the natural environment but it must do so in a way that does not preclude growth in other sectors of the economy miller shows how the successful pursuit of foreign direct investment coupled with costa rica s immense biodiversity and its attractiveness to tourists is key to understanding the success of the costa rican economy many of the preferences that ecotourists have for a vacation destination also help create an amenable atmosphere for business these factors include political and social stability high quality of life low levels of corruption economic freedom high levels of education and a suitable infrastructure the most important part of this research is its development of strategies based upon the costa rican model that would be useful for other states in the region when looking at whether states can replicate the development strategy of costa rica environmental sustainability is an important concern ecotourism development in costa rica is an essential text for students and scholars interested in latin american politics and history development studies and environmental sustainability

Cruise Sector Challenges 2010-11 ebony is the flagship magazine of johnson publishing founded in 1945 by john h johnson it still maintains the highest global circulation of any african american focused magazine

Christmas Plus Delightful Short Christmas Stories and Full-Length Tales of a Special Ferris Wheel and a Dynamic Doll 2006 in mid twentieth century america mass tourism became emblematic of the expanding horizons associated with an affluent industrial society nowhere was the image of leisurely travel more visible than in the parade of glossy articles and advertisements that beckoned readers from the pages of popular magazines in richard k popp s the holiday makers the magazine industry serves as a window into postwar media and consumer society showing how the dynamics of market research and commercial print culture helped shape ideas about place mobility and leisure magazine publishers saw travel content as a way to connect audiences to a booming ad sector while middlebrow editors believed sightseeing travel was a means of fostering a classless society at home and harmony abroad expanding transportation networks and free time lay at the heart of this idealized vision holiday magazine heralded nothing less than the dawn of a new era calling it the age of mobile man man gifted for the first time in history with leisure and the means to enjoy distance on a global scale for their part advertisers understood that selling tourism meant turning dreams into action as ad executive david ogilvy put it doing so involved everything from countering ugly stereotypes to tapping into desires for authentic places and self actualization though tourism was publicly touted in egalitarian terms publishers and advertisers privately came to see it as an easy way to segment the elite free spenders from the penny pinching masses just as importantly marketers identified correlations between an interest in travel and other consumer behavior ultimately popp contends the selling of tourism in postwar america played an early integral role in the shift toward lifestyle marketing an experiential service economy and contributed to escalating levels of social inequality

Managing Tourism Destinations 2012-05-15 sex and the citizen is a multidisciplinary collection of essays that draws on current anxieties about legitimate sexual identities and practices across the caribbean to explore both the impact of globalization and the legacy of the region s history of sexual exploitation during colonialism slavery and indentureship speaking from within but also challenging the assumptions of feminism literary and cultural studies and queer studies this volume questions prevailing oppositions between the backward homophobic nation state and the laid back service with a smile paradise or between giving in ignominiously to the autocratic demands of the global north and equating postcolonial sovereignty with a wholesome heterosexual citizenry the contributors use parliamentary legislation novels film and other texts to examine martinique s relationship to france the diasporic relationships between the dominican republic and new york city between india and trinidad and between mexico s capital city and its caribbean coast indigenous names for sexual practices and desires in suriname and the eastern caribbean and other topics this volume will appeal to readers interested in how sex has

become an important register for considerations of citizenship personal and political autonomy and identity in the caribbean and the global south contributors vanessa agard jones odile cazenave michelle cliff susan dayal alison donnell donette francis carmen gillespie rosamond s king antonia macdonald smythe tejaswini niranjana evelyn o callaghan tracy robinson patricia saunders yasmin tambiah omise eke natasha tinsley rinaldo walcott m s worrell

Building Brand Trust 2012-08-17 this book offers a bird s eye view of the current trends opportunities and challenges related to asian youth travellers and it also presents a holistic framework for future research to build upon managerial and policy implications are provided for the tourism and hospitality industry and government agencies to better accommodate the needs of asian youth travellers a unique and diverse market that is yet to be fully unveiled to the world the book investigates the key characteristics that define contemporary asian youth travellers adopting a broad definition of asia while it includes relatively mature markets it also features emerging markets in southeast asia south asia and west asia the book looks at different forms of tourism undertaken by asian travellers encompassing educational tourism adventure tourism working holiday self driving tourism dark tourism volunteer tourism and cultural tourism a wide range of topics are discussed from history to current trends from motivations to constraints from the influence of culture and religion on travel behaviour to the search of social freedom through travel and from destination choice to destination avoidance the findings and interpretations are drawn from diverse and novel research methods such as netnography visual anthropology historiography interview focus group survey and document analysis

Ecotourism Development in Costa Rica 1998-06 this four volume work provides a detailed multicultural survey of established as well as new american religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture this revised and expanded edition of religion and american cultures tradition diversity and popular expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective the entries cover virtually every religion in modern day america as well as the role of religion in various aspects of u s culture readers will discover that americans aren t largely protestant catholic or jewish anymore and that the number of popular religious identities is far greater than many would imagine and although most americans believe in a higher power the fastest growing identity in the united states is the nones those americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized the first volume explores america s multicultural communities and their religious practices covering the range of different religions among anglo americans and euro americans as well as spirituality among latino african american native american and asian american communities the second volume focuses on cultural aspects of religions addressing topics such as film generation x public sacred spaces sexuality and new religious expressions the new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after september 11 2001 the fourth volume is devoted to complementary primary source documents

Ebony 2012-05-16 consumer behaviour is one of the most explored topics in tourism and hospitality marketing interchangeably denoted by the terms traveller behaviour tourist behaviour or guest behaviour consumer behaviour acts as an origin for every tourism and hospitality marketing activity it offers an understanding of why people tend to choose certain products or services and what sort of factors influence them in making their decision the decision process of buying tourism products or services takes time because they are mostly intangible in nature due to which there are many risks involved in their buying process the routledge handbook of consumer behaviour in hospitality and tourism aims to explore and critically examine current debates critical reflections of contemporary ideas controversies and pertinent queries relating to the rapidly expanding discipline of consumer behaviour in hospitality and tourism the handbook offers a platform for dialogue across disciplinary and national boundaries and areas of study through its diverse coverage it is divided into six parts part i offers an overview of consumer behaviour part ii focuses on the service quality perspectives of consumer behaviour part iii deliberates on customer satisfaction and consumer behaviour linkages part iv explores the re patronage behaviour of consumers part v addresses the vital issues concerning online consumer behaviour and part vi elaborates upon other emerging paradigms of consumer behaviour although there is no dearth of empirical studies on different viewpoints of consumer behaviour there is a scarcity of literature providing conceptual information the present handbook is organised to offer a comprehensive theoretical body of knowledge narrating consumer behaviour especially for hospitality and tourism businesses and

operations it attempts to fill this research gap by offering a globalised volume comprising chapters organised using both practical and academic approaches this handbook is essential reading for students researchers and academics of hospitality as well as those of tourism marketing international business and consumer behaviour

The Holiday Makers 2011-04-29 in this latest edition of her classic text lisa spiller takes an insightful in depth look at contemporary marketing concepts tactics and techniques and the dynamic innovations that continue to drive and shape this multi faceted multi dimensional field direct digital and data driven marketing recognizes the growth of the various digital formats as the newest interactive channels for conducting modern marketing but it does not overlook the traditional principles of direct marketing still relevant today this book examines the field both as it once was and as it is evolving with plenty of learning features online resources the fifth edition provides an engaging journey which will leave any marketing student with a thorough knowledge of how all kinds of businesses manage regular communication with their customer base and target demographic

Sex and the Citizen 2018-03-23 citing the lengths women go to in order to make themselves conform to societal views about beauty a study on the link between the body and a woman s desire for a spiritual life presents a model of a christian woman with a unified body and soul original

Asian Youth Travellers 2014-12-17 this collection of key articles from the most influential journals and books in the field examines what social scientists mean by the term tourism and what it means to be a tourist carefully selected and introduced by the editor this material charts the sociological changes that have occurred in tourism and the change from the upper class grand tours of the late nineteenth century to the mass tourism of the present day the collection also assesses the economic impacts of tourism on local economies environmental considerations and whether the growth of tourism is sustainable in a post september 11th world tourism critical concepts in the social sciences is an accessible and comprehensive resource designed for academics and scholars researching in tourism globalization and human geography

Religion and American Cultures [4 volumes] 2017-04-07 this book explores the complex decision making processes involved in choosing and buying tourism products and services it combines a theoretical overview of the basics of tourist behaviour and decision making with the results of an in depth qualitative study of vacationers it considers both the generic decision to go on vacation or not and more specific travel decisions such as destination and accommodation type from an individual and social point of view it looks at how when and why such decisions are made and the factors that influence the final outcome the book concludes by rejecting existing tourist typologies in favour of a new typology of vacationers

The Routledge Handbook of Consumer Behaviour in Hospitality and Tourism 2020-01-09 this title was first published in 2002 this volume follows on from the tradition of humanistic geography to examine tourism from an experiential perspective examining the experience of the tourists themselves by analyzing theories on tourism from anthropology psychology and cultural tourism it aims to further the geographical debates on interactions which occur in tourism the text offers a geographical approach which examines how the resulting experience of tourism can reveal something of our relationship with places in general and also about ourselves

Direct, Digital & Data-Driven Marketing 2003-03 the routledge handbook of tourism experience management and marketing offers a comprehensive and thorough inquiry into both customary and emergent issues of tourism experience and co creation drawing together contributions from 83 authors from 28 countries with varied backgrounds and interdisciplinary interests the handbook highlights multiple representations and interpretations of the theme it also integrates a selection of illustrative global case studies to effectively present its chapter contents tourism experience drives the contemporary tourist s behavior as they travel in pursuit of experiencing unique and unusual destinations and activities creating a memorable and enduring experience is therefore a prerequisite for the all tourism business organizations irrespective of the nature of their products or services this handbook focuses on conceptualizing designing staging managing and marketing paradigms of tourism experiences from both supply and demand perspectives it sheds substantial light on the contemporary theories practices and future developments in the arena of experiential tourism management and marketing encompassing the latest thinking and research themes this will be an essential reference for upper level students researchers academics and industry practitioners of hospitality as well as those of tourism gastronomy management marketing consumer behavior cultural studies development studies and international business encouraging dialogue across disciplinary boundaries

Eve's Revenge 2004 buyers beware treats caribbean pop cultural texts with the same critical attention as dominant mass cultural representations of the

region to read them against the grain and consider how and whether their pulp preoccupation with contemporary fashion music sex fast food and television is instructive for how race class gender sexuality and national politics are disseminated and consumed within the caribbean

Tourism: The experience of tourism 2006 this edited text compiles advanced material relating to strategy and marketing in the field of sports business featuring contributions from experts across the sports business field the book approaches strategy from the standpoint of managing and marketing a brand with integrated current day examples highlighting practices and issues as well as real world applied video cases this book is ideal for marketing students and sports business practitioners looking to gain strategic insights into the industry

Vacation Decision Making 2018-02-06 since the early times of travelling architecture does constitute an important force of attraction and a vital element in marketing until today destinations try to increase their market positions by means of the development and restoration of the built environment however architecture is characterised by an enduring presence with impacts on visitors and residents alike hence on a sustainable basis it needs to chime with place and situation where modesty might be suitable for one destination spectacular architecture could be a transformation catalyst or unique selling proposition for another destination developers have to be aware of the local requirements as well as the reciprocal relationship between the modern practice of tourism and the built environment to address the complexity of architectural tourism throughout the book this topic is subject of a controversial discussion and approached with a contextual and interdisciplinary view

Tourist's Experience of Place 2020-05-18 ebony is the flagship magazine of johnson publishing founded in 1945 by john h johnson it still maintains the highest global circulation of any african american focused magazine
