Surprised by the Voice of God 2010-06-15 in surprised by hope rethinking heaven the resurrection and the mission of the church top selling author and anglican bishop n t wright tackles the biblical question of what happens after we die and shows how most christians get it wrong we do not go to heaven we are resurrected and heaven comes down to earth a difference that makes all of the difference to how we live on earth following n t wright s resonant exploration of a life of faith in simply christian the award winning author whom newsweek calls the world s leading new testament scholar takes on one of life s most controversial topics a matter of life death spirituality and survival for everyone living in the world today

God Laughs 2011-06 if we believe the bible is the inerrant divinely inspired word of god from genesis to revelation what is said within its pages about god and his unchangeable character must be consistent and never contradictory furthermore in order to love god with all our heart believing him to be a just merciful and loving god what we believe from the scriptures must adhere to the three cs context consistency and character for centuries people have formulated doctrine by taking passages out of context they have made conclusions about god s character in an inconsistent fashion and often in ways that malign our righteous and holy creator when jesus came to earth he did not form a new religion he was a jew and knew that god had given the sacred pronouncements of truth to the nation of israel what he taught about hell death resurrection and judgment is entirely consistent with what god taught his people through the mosaic law the prophets and the psalms in hell no the surprising truths the bible teaches about death resurrection and judgment you will see that the bible is clear humans never have and never will go to heaven they are not inherently immortal god will never torture souls in a hellfire

and all those who died and have paid the price for their sin death will be resurrected on earth during the judgment period with a clean slate and an opportunity to truly know god as they learn war no more under christ s millennial reign hell no is a serious deep dive into scripture but also a conversational foray into truth written by a layperson for laypeople serious about searching the deep things of god to uncover the bible s truths in order to better know and love their creator The Totally True Book of Strange and Surprising Bible Lists 2021-11-02 what caused a former dallas seminary professor to believe that the miraculous gifts of the holy spirit are being given today what convinced someone skeptical about miracles that god still speaks and heals a dramatic change took place in jack deere s life when he took a fresh look at the scriptures he discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the bible as soon as deere became a seeker instead of a skeptic the holy spirit revealed himself in new and surprising ways in surprised by the power of the spirit jack deere provides a strong biblical defense for the spirit s speaking and healing ministries today he also describes several reliable cases of people who were miraculously healed or who heard god speak in an unmistakable way finally he gives sound advice for using spiritual gifts in the church written in popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts

The Life and Most Surprising Adventures of Robinson Crusoe ... A New Edition, Etc 1805 the bible homer and the search for meaning in ancient myths explores and compares the most influential sets of divine myths in western culture the homeric pantheon and yahweh the god of the old testament heath argues that not only does the god of the old testament bear a striking resemblance to the olympians but also that the homeric system rejected by the judeo christian tradition offers a better model for the human condition the universe depicted by homer and populated by his gods is one that creates a unique and powerful responsibility almost directly counter to that evoked by the bible for humans to discover ethical norms accept death as a necessary human limit develop compassion to mitigate a tragic existence appreciate frankly

both the glory and dangers of sex and embrace and respond courageously to an indifferent universe that was clearly not designed for human dominion heath builds on recent work in biblical and classical studies to examine the contemporary value of mythical deities judeo christian theologians over the millennia have tried to explain away yahweh s olympian nature while dismissing the homeric deities for the same reason greek philosophers abandoned them they don t live up to preconceptions of what a deity should be in particular the homeric gods are disappointingly plural anthropomorphic and amoral at best but heath argues that homer s polytheistic apparatus challenges us to live meaningfully without any help from the divine in other words to live well in homer s tragic world an insight gleaned by achilles the hero of the iliad one must live as if there were no gods at all the bible homer and the search for meaning in ancient myths should change the conversation academics in classics biblical studies theology and philosophy have especially between disciplines about the gods of early greek epic while reframing on a more popular level the discussion of the role of ancient myth in shaping a thoughtful life
