## How I Became Stupid

2004-11-30

ignorance is bliss or so hopes antoine the lead character in martin page s stinging satire how i became stupid a modern day candide with a darwin award like sensibility a twenty five year old aramaic scholar antoine has had it with being brilliant and deeply self aware in today s culture so tortured is he by the depth of his perception and understanding of himself and the world around him that he vows to denounce his intelligence by any means necessary in order to become stupid enough to be a happy functioning member of society what follows is a dark and hilarious odyssey as antoine tries everything from alcoholism to stock trading in order to lighten the burden of his brain on his soul

## Ten Stupid Things That Keep Churches from Growing

2009-08-30

based on interviews with pastors of growing churches as well as personal experience this book identifies the most common mistakes pastors make that keep otherwise healthy churches from reaping the harvest god has prepared each chapter spotlights a common mistake gives real life examples uses a generous dose of humor and provides a practical course of action to recover from the error the book draws from the experience of seacoast church as well as pastors such as craig groeschel chris hodges perry nobel mark batterson dave ferguson scott chapman dino rizzo ron hamilton and dave browning church leaders will

be encouraged to realize that they are not the only ones who struggle and that turning their situation around may not be as daunting a task as they think this is a field guide for the common pastor based on actual churches of all sizes

national bestseller the three great premises of idiot america any theory is valid if it sells books soaks up ratings or otherwise moves units anything can be true if someone says it loudly enough fact is that which enough people believe truth is determined by how fervently they believe it with his

trademark wit and insight veteran journalist charles pierce delivers a gut wrenching side splitting lament about the glorification of ignorance in the united states pierce asks how a country founded on intellectual curiosity has somehow deteriorated into a nation of simpletons more apt to vote for an american idol contestant than a presidential candidate but his thunderous denunciation is also a secret call to action as he hopes that somehow being intelligent will stop being a stigma and that pinheads will once again be pitied not celebrated erudite and razor sharp idiot america is at once an invigorating history lesson a cutting cultural critique and a bullish appeal to our smarter selves
