Tunisia 2017-09-05

the arab spring began and ended with tunisia in a region beset by brutal repression humanitarian disasters and civil war tunisia s jasmine revolution alone gave way to a peaceful transition to a functioning democracy within four short years tunisians passed a progressive constitution held fair parliamentary elections and ushered in the country s first ever democratically elected president but did tunisia simply avoid the misfortunes that befell its neighbors or were there particular features that set the country apart and made it a special case in tunisia an arab anomaly safwan m masri explores the factors that have shaped the country s exceptional experience he traces tunisia s history of reform in the realms of education religion and women s rights arguing that the seeds for today s relatively liberal and democratic society were planted as far back as the middle of the nineteenth century masri argues that tunisia stands out not as a model that can be replicated in other arab countries but rather as an anomaly as its history of reformism set it on a separate trajectory from the rest of the region the narrative explores notions of identity the relationship between islam and society and the hegemonic role of religion in shaping educational social and political agendas across the arab

region based on interviews with dozens of experts leaders activists and ordinary citizens and a synthesis of a rich body of knowledge masri provides a sensitive often personal account that is critical for understanding not only tunisia but also the broader arab world

Perspectives on History 2008

in the twenty first century democracies across the globe are in crisis the strength of basic democratic institutions and core enduring political principles and values are eroding in key regions and countries authoritarian regimes are rising and populist leaders are emerging democracy in crisis across the world weaves threads of history and politics in two parts to

analyze how long this trend may last and what the future may bring by first examining the state of democracy in sub saharan africa eastern europe western europe latin america and the middle east and north africa the second part of the collection highlights to democratic trajectory of india china russia and the united states ending with a look at how the world s governments have responded to the coronavirus pandemic contributors argue that unless democracy is defended with resolution and nurtured with resilience it will fall

The Collected Works of William Harrison Ainsworth (Illustrated Edition) 2023-11-11

this political history shows how the turmoil and transformation of nursing during the french third republic reflected the political and cultural tensions at work in the nation including critical conflicts over the role of the church in society the professionalization of medicine and the emancipation of women

The Greatest Novels of William Harrison Ainsworth (Illustrated Edition) 2023-12-11

in virtually all the countries of the world men and to a lesser extent women are today dressed in very similar clothing this book gives a compelling account and analysis of the process by which this has come about at the same time it takes seriously those places where for whatever reason this process has not occurred or has been reversed and provides explanations for these developments the first part of this story recounts how the cultural political and economic power of europe and from the later nineteenth century north america has provided an impetus for the adoption of whatever was at that time standard western dress set against this robert ross shows how the adoption of european style dress or its rejection has always been a political act performed most frequently in order to claim equality with colonial masters more often a male option or to stress distinction from them which women perhaps under male duress more frequently did the book takes a refreshing global perspective to its subject with all continents and many countries being discussed it investigates not merely the symbolic and message bearing aspects of clothing but also practical matters of production and equally importantly distribution

Democracy in Crisis around the World 2020-11-05

a magisterial reconstruction and analysis of the heated debates around the woman question during the french third republic

Genealogy of the Folsom Family, a Revised and Extended

Edition, Including English Records 1638-1938 1938

1 criticizing the idea of the fall of civilization and listing and discussing evidence from books about the fall 2 the continuity of civilization s misfortune with the excellent realization of the victories of the age of enlightenment considering it the first embodiment based on reason science and humanity as the pillars of civilization 3 presentation of the author s thesis with the title meta civilization and talk about the pillars of the second civilization considering the progress science technology as big pillar of meta finally the conclusion with open questions

Bodies and Souls 2001

go behind the glamorous shop fronts and the glitzy shop floors of britain s department stores here the hidden history is revealed saga magazine meet the shopgirls and hear their incredible true stories of life behind the counter in this lively and colourful history we join shopgirl chili bouchier on her journey from the small ladies department at harrods to star of the silver screen and experience the raw courage of john lewis miss austin during the blitz in the west end we follow margaret bondfield as she goes undercover fiercely championing the rights of her fellow shopgirls and stand alongside the impoverished interwar chain store assistants who stole stockings to supplement their meagre wages and we celebrate with the art school entrepreneurs who kick started the boutique movement of the swinging 60s and made the shop floor their own here these wonderful tales of friendship hardship and triumph are revealed as never before for fans of nostalgic history and memoir including call the midwife mollie moran s aprons and silver spoons and the sugar girls

Catalog of Copyright Entries. Third Series 1975

the most significant conquest of the twentieth century may well have been the triumph of american consumer society over europe s bourgeois civilization it is this little understood but world shaking campaign that unfolds in de grazia s account of how the american standard of living defeated the european way of life and achieved the global cultural hegemony that is both its great strength and its key weakness today tracing the peculiar alliance that arrayed new world salesmanship statecraft and standardized goods against the old world s values of status craft and good taste de grazia describes how all alternative strategies fell before america s consumer oriented capitalism first the bourgeois lifestyle then the third reich s command consumption and finally the grand experiment of soviet style socialist planning from publisher description

Children's Books in Print, 2007 2006

Program of the ... Annual Meeting 2003

this volume provides a lively and authoritative synthesis of recent work on the social history of france and is now thoroughly updated to cover the long nineteenth century from 1789 1914 peter mcphée offers both a readable narrative and a distinctive coherent argument about this remarkable century and explores key themes such as peasant interaction with the environment the changing experience of work and leisure the nature of crime and protest changing demographic patterns and family structures the religious practices of workers and peasants the ideology and internal repercussions of colonisation at the core of this social history is the exercise and experience of social relations of power not only because in these years there were four periods of protracted upheaval but also because the history of the workplace of relations between women and men adults and children is all about human interaction stimulating and enjoyable to read this indispensable introduction to nineteenth century france will help readers to make sense of the often bewildering story of these years while giving them a better understanding of what it meant to be an inhabitant of france during that turbulent time

Clothing 2013-05-02

the judith lennox wartime collection is an unforgettable omnibus of three mesmerising novels

set during the first and second world wars the secret years the shadow child and all my sisters a beautiful collection of wartime novels not to be missed by fans of katherine webb lucinda riley and rachel hore the secret years during the golden summer of 1914 four young people play in the gardens of drakesden abbey when an ancient blythe family heirloom disappears an uncontrollable chain of events is set in motion the passions and enmities of the four friends intensifies in the passing years and they have to experience tragedy and betrayal before the heirloom makes its reappearance and with it a new hope for the future the shadow child on the eve of the first world war fourteen year old alix gregory is holidaying in france with the lanchbury family when two year old charlie lanchbury disappears whilst alix is looking after him she is blamed and cannot escape from the resulting fallout through her marriage and the birth of her son she finds happiness yet she is haunted by the loss of her baby cousin as the years pass and the world descends into the horrors of war once more the question remains will charlie lanchbury ever be found all my sisters in the tumultuous years before the first world war four sisters seek to fulfil their ambitions pretty iris dreams of a grand marriage quiet marianne meets the love of her life and passionate eva longs for independence only clemency caring for her invalid mother remains tied to the family home years pass and the war changes the lives of all the sisters as they endeavour to discover love at last

Debating the Woman Question in the French Third Republic, 1870-1920 2018-01-11

examines the debate over the potential reestablishment of guilds that occurred inside and outside the french government from 1776 to 1821

The Reason Under Fire 2023-03-07

the establishment of the third republic in france in the 1870s swept the nobility from power and established republican government supported by the professional classes the peasantry and small businessmen paris shopkeepers at first allied themselves with this new republican order but then broke away from it claiming it favored the rise of large department stores that threatened their livelihood this work offers a broader interpretation of their protests within the context of general social and cultural developments providing a colorful and convincing description and analysis of parisian politics in this critical era of french history historians previous explanations of shopkeeper discontent during the period have centered on the rise of the department store in contrast nord shifts the locus of interpretation to the impact of baron haussmann's rebuilding of paris and the economic crisis of the 1880s on the paris retail market in addition the author challenges the assumption that retailers protest translates directly into a politics of reaction his interpretation is an example of social history at its best and will appeal to those interested in france social movements and nineteenth century europe available for the first time in paperback this edition includes a new introduction by the author that discusses the book's themes politics of consumption nationalism anti semitism in terms of current historiographical concerns he also examines whether our own era is not one of political

realignment with a potential for right wing extremism
