a dead marine captain a forty year old secret revenge from beyond the grave cover

The Hickory Staff 2008-10-01

an assistant bank manager in a quiet little midwestern town is bored with his job until he discovers that an old prospector left 17 000 in october 1870 and it is now worth 6 3 million dollars

The London Gazette 1867

governors in the united states are becoming prime policy makers in state and national politics they preside over vast and increasingly important administrative structures through numerous appointments of key personnel and the management of growing budgets governors provide leadership for state legislatures by advocating their policy agendas and by mobilizing public opinion and political resources through these roles governors have far reaching influence in citizen s daily lives this work examines these major political leaders by closely examining the careers of five recent governors 1960d2001 terry sanford 1961d1965 robert bob w scott 1969d1973 james e jim holshouser jr 1973d1977 james g jim martin 1985d1993 james b jim hunt jr 1977d1985 1993d2001 and compares their performances in office with governors in other states no other book has looked as closely at the persons who serve as governors during this time period

Colburn's United Service Magazine and Naval and Military Journal 1871

reprint of the original first published in 1871 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost

Parliamentary Papers 1863

his training has been that of an engineer and he is a thorough businessman he is a man of integrity with no axes to grind who assumed his duties toward the town at a personal sacrifice gertrude robinson smith socialite and philanthropist on joseph franz joseph franz was a precocious teenager when he arrived in america on october 16 1897 determined to succeed at any undertaking as an electrical engineer franz defied the most respected electrical names of the time such as george westinghouse to experiment with untested methods of producing and providing electricity after retiring from the electrical field he dared to design and build two great cultural buildings in the berkshires that are still used today one provides shelter for the renowned boston symphony orchestra the other is the first theatre built specifically for dance at jacob s pillow an old farm near becket massachusetts that has become the first dance related institution in america to be designated as a national historic landmark through his european education franz learned that to brag about oneself was very unethical because of his modesty few are aware of his tireless contributions and service to his community in stockbridge massachusetts and the surrounding area franz s children are finally able to help him bring his accomplishments to light in joseph franz a renaissance man in the 20th century

Accounts and Papers of the House of Commons 1863

shared governance begins with the premise that today s higher education governance practices have

lost their focus and vitality by re-examining the original suppositions of shared governance along with an infusion of seminal democratic values and principles a contemporary model is envisioned from historical perspectives on shared governance the book then takes a view of current governance models through the lens of critical theory and open systems thinking political corporate and school system models are briefly reviewed before moving on to application to colleges and universities each chapter concludes with a continuous story of a young and maturing college vice president as she grapples with a static and worn governance system at her institution she strives to reinvigorate the notion of shared governance and to bring staff and students into the process the final three chapters of the book each include an essay written by individuals who have served on the ground level of shared governance at their institution these people include an administrative assistant who helped to create a staff council a student government association president who took a nascent sga and gave students a new voice and an associate dean who mentored students in this developmental process
