The Boy Who Met Jesus *2012-11-28*

It is the greatest story never told that of a boy who met Jesus and dared to ask him all the questions that have consumed mankind since the dawn of time. His name was Segatashya. He was a shepherd born into a penniless and illiterate pagan family in the most remote region of Rwanda. He never attended school, never saw a Bible, and never set foot in a church. Then one summer day in 1982 while the 15-year-old was resting beneath a shade tree, Jesus Christ paid him a visit. Jesus asked the startled young man if he'd be willing to go on a mission to remind mankind how to live a life that leads to heaven. Segatashya accepted the assignment on one condition: that Jesus answer all his questions and all the questions of those he met on his travels about faith, religion, the purpose of life, and the nature of heaven and hell. Jesus agreed to the boy's terms, and Segatashya set off on what would become one of the most miraculous journeys in modern history. Although he was often accused of being a charlatan and beaten as a result, Segatashya's innocent heart and powerful spiritual wisdom quickly won over even the most cynical of critics. Soon this teenage boy who had never learned to read or write was discussing theology with leading biblical scholars and advising pastors and priests of all denominations. He became so famous in Rwanda that the Catholic Church investigated his story. The doctors and psychiatrists who examined Segatashya all agreed that they were witnessing a miracle. His

words and simple truths converted thousands of hearts and souls wherever he went before his death during the 1994 rwandan genocide segatashya continued his travels and conversations with jesus for eight years asking him what we all want to know why were we created why must we suffer why do bad things happen to good people when will the world end is there life after death how do we get to heaven the answers to these and many other momentous life changing questions are revealed in this riveting book which is the first full account of segatashya s remarkable life story written with grace passion and loving humor by immaculée ilibagiza segatashya s close friend and a survivor of the rwandan holocaust herself this truly inspirational work is certain to move you in profound ways no matter what your faith or religious beliefs segatashya s words will bring you comfort and joy and prepare your heart for this life and for life everlasting

Mary the Perfect Contemplative: Carmelite

Insights on the Interior Life of Our Lady

2022-04-25

Mary the Perfect Contemplative is a fresh and beautiful portrait of the Mother of God from her immaculate conception to her bodily assumption into heaven. Mary was set apart by God as the vessel of humanity's redemption, thrice favored as daughter of the Father, Mother of the Son, and spouse of the Holy Spirit. Mary was endowed with supernatural gifts that enabled a contemplative life of grace. Unlike us, she was conceived without sin, yet her reliance on faith without the full vision of God's plan of salvation during her earthly life makes her for us the perfect model of faith. Pondering in her heart the mysteries she encountered throughout her life, she is the perfect contemplative. Author Barbara Hughes O.C.D.S. looks to sacred scripture as the primary and essential reference for her portrait of Our Lady. For colorful detail, she draws on two thousand years of sacred tradition sourced in the writings of the Church Fathers, saints, and theologians. Finally, Hughes finds further depth and exquisite details of Mary's interior life in the mystical writings of the Carmelite saints and doctors of the Church, the saints of Carmel, the canonized brothers and sisters of our

lady of mount carmel are invaluable guides that help us navigate the mystical waters of contemplation and union with god which mary exemplifies saints john of the cross and teresa of jesus teach us the importance of living by faith especially when god appears to be absent or when his plans are veiled to the eyes of even the holiest people such as mary this book is for all of mary s beloved children to offer them an intimate portrait of their blessed mother

what i m offering in this book is the awareness that we can return to a full time position of inspiration which is the true meaning of our life dr wayne w dyer there s a voice in the universe entreating us to remember our

purpose our reason for being here now in this world of impermanence the voice whispers shouts and sings to us that this experience of being in form in space and time has meaning that voice belongs to inspiration which is within each and every one of us the feelings of emptiness the idea that there must be something more wondering is this all there is and trying to determine the meaning of life this is all evidence of a yearning to reconnect with our soul space we re aching for our calling to be felt and expressed in living an inspired life previously published under the title inspiration dr wayne w dyer explains how we ve chosen to enter this world of particles and form from our place of origin in ways that we don t readily comprehend now we knew what we were coming here to accomplish and we participated in setting this life process in motion so why not think along these same lines why put the responsibility or blame on any one or any thing that s not a part of us on earth we have the capacity of volition we can choose so let s assume that we had the same capacity when we resided in the spiritual realm we chose our physical body and we chose the parents we needed for the trip it doesn t seem too great a stretch to move into the idea that we chose this life in concert with our source inspiration can be cultivated and be a driving force throughout life rather than showing up every now and then and just as mysteriously disappearing seemingly independent of our desires inspiration is for everyone it isn t reserved for high profile creative geniuses in the arts and sciences it s inherent in our divine birthright the

problem is that as children we re gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished as you read each chapter in this book you ll find specific suggestions for living in spirit from a very personal viewpoint wayne offers a blueprint through the world of inspiration your ultimate calling
