**Q&A Torts 2009-2010 8/e** 2009-06-02 questions answers torts offers a thorough review of torts that fits with all versions of a typical torts course it provides an effective review of doctrinal material at relatively low cost in both time and money the thorough index and table of contents enable users to easily locate any topic in the torts syllabus an extended practice exam chapter which does not announce which topics are covered gives users the option of hiding the ball when testing themselves the principal technology of this book is the multiple choice question each one gives four alternative answers and with no evasions like all of the above or b and c only along with

explanations that have been road tested with torts students for utility and clarity in recognition of bar exam and academic support considerations the fifth edition has increased the percentage of questions that are multiple choice while retaining short answers that give users a chance to put doctrine into their own words some questions are relatively easy and a few are relatively hard many questions are written as anecdotes with human characters to simulate the case method of instruction while others ask about abstract points although core doctrine fills most of this book it also includes jurisprudential material like economic analysis and policy questions the index labels these jurisprudential questions as theory policy for ease of identification

**Q&A Torts 2014-12-05** q a law of torts offers a lifeline to students revising for exams it provides clear guidance from experienced examiners on how best to tackle exam questions and gives students the opportunity to practise their exam technique and assess their progress
