in these talks given in europe ojai and india krishnamurti addresses the need to approach our life problems in a manner does not perpetuate fragmentation though we have many problems and each problem seems to produce so many other problems perhaps we can consider together whether the wisest thing to do is not to seek the solution of any problem at all it seems to me that our minds are

incapable of dealing with life as a whole we deal apparently with all problems fragmentarily separately not with an integrated outlook perhaps the first thing if we have problems is not to seek an immediate solution for them but to have the patience to inquire deeply into them and discover whether these problems can ever be solved by the exercise of will what is important i think is to find out not how to solve the problem but how to approach it an extensive compendium of krishnamurti s talks and discussions in the usa europe india new zealand and south africa from 1933 to 1967 the collected works have been carefully authenticated against existing transcripts and tapes each volume includes a frontispiece photograph of krishnamurti with question and subject indexes at the end the content of each volume is not limited to the subject of the title but rather offers a unique view of krishnamurti s extraordinary teachings in selected years the collected works offers the reader the opportunity to explore the early writings and dialogues in their most complete and authentic form
