Mythology 1997 at least three major questions can be asked of myth what is its subject matter what is its origin and what is its function theories of myth may differ on the answers they give to any of these questions but more basically they may also differ on which of the questions they ask c g jung s theory is one of the few that purports to answer fully all three questions this volume collects and organizes the key passages on myth by jung himself and by some of the most prominent jungian writers after him erich neumann marie louise von franz and james hillman the book synthesizes the discovery of myth as a way of thinking where it becomes a therapeutic tool providing an entrance to the unconscious in the first selections jung begins to differentiate his theory from freud s by asserting that there are fantasies and dreams of an impersonal nature that cannot be reduced to experiences in a person s past jung then asserts that the similarities among myths are the result of the projection of the collective rather than the personal unconscious onto the external world finally he comes to the conclusion that myth originates and functions to satisfy the psychological need for contact with the unconscious not merely to announce the existence of the unconscious but to let us experience it

The New Pantheon, Or, An Introduction to the Mythology of the Ancients 1854 the giant book of trivia 1000 questions and answers to engage all minds picks up right where the great book of trivia left off once again we ve brought together a host of fresh and intriguing questions that will test the limits of your knowledge across a huge range of subjects the book is divided into 4 parts part 1 presents 50 challenging general knowledge quizzes part 2 introduces the specialist rounds at three levels of difficulty medium challenging and fiendish here you ll find questions on geography history sport science and nature literature art and architecture and movies and tv part 3 brings a lighter touch with a selection of bonus round quizzes where you ll be asked to spot connections identify years from a series of clues unravel proverbs and sort out lists of famous people places and things part 4 contains 20 family fun quizzes that will be especially enjoyable for younger minds there are straightforward general knowledge questions alongside rhyming and alphabet quizzes at elsinore books we pride ourselves on creating beautiful e books and devote great attention to formatting and ease of navigation this book contains a cleanly styled contents page that permits easy movement
