frog it must be great because dylan told everyone he knows that his frog is the fastest highest jumping best frog
ever trouble starts when a frog race comes to town and puts dylan s bragging to the test will dylan risk his
reputation and race his frog will his classmate s store bought frog leave dylan s pond frog in the dust dylan will
have to decide if it is better to race his frog and maybe lose or to not race and not lose but not win luckily dylan
has a few tricks up his sleeve he also has a good friend zoe who may hold the key to his dilemma

by writing instructors and award winning authors this volume emphasizes an aspect of children's picture books
that has not yet been thoroughly investigated structure both concept books and picture storybooks employ very
distinctive structures that once mastered can be applied to any picture book you wish to write when so many of
the best picture books employ the same structures it is important to analyze these structures understand why
they work and learn how to incorporate them into your own writing this volume helps you do all that you will see
that no matter how carefully you labor over the tone word choice plot character setting theme and style of your
picture book you must have a thorough grasp of its structure if you wish your book to succeed indeed you will
find that an expert command of structure is the key to writing a successful children's picture book [][][][][][][][][][][][][][][][][][][]
