***Overtourism 2019-11-02***

overtourism is a term that has become increasingly common in recent years. it refers to the negative impacts of excessive tourism on a destination, such as overcrowding, increased costs, and environmental damage. overtourism can also lead to a loss of local culture and a decline in the quality of life for residents. as a result, many destinations are now implementing measures to manage tourism more sustainably.

***1984***

the year 1984 was a significant one for many reasons. it was the year that the space shuttle challenger was launched, the year that the first world war was commemorated, and the year that the first world war was commemorated. it was also the year that the first world war was commemorated.
