## **Jefferson Himself 1865**

the four sections of the book deal in succession with marshall s key ideas on  
the subject the wider context of his thought in which they are to be read  
their later development by some of his pupils and their revival in  
contemporary economics the first and last sections work together to  
illustrate the evolutionary focus of marshall s research program and to  
identify its affinity with modern industrial economics the second explicates  
the social assumptions within which the marshallian paradigm was embedded in  
particular those relating to the various relationships that exist between  
individuals and wider groups while the third traces the development of  
marshall s views by some of his pupils

## **Calendar of State Papers 1909**

postwar american officials desired in principle to promote arab israeli peace in order to stabilize the middle east this book shows how during the truman and eisenhower administrations the desire for peace was not always an american priority instead they consistently gave more weight to their determination to contain the soviet union
